*But to the one who does not work, but believes in Him who justifies the ungodly, his faith is credited as righteousness,*

*~Romans 4:5*

**What do justification and sanctification mean?**

**Justification means our declared righteousness before God, made possible by Christ's death and resurrection for us. Sanctification means our gradual, growing righteousness, made possible by the Spirit's work in us.**

Romans 3:27-31 - 4 Questions about Faith Alone

**Closing Song**

1. Rom 3:21-26 is a great summary of the Gospel. In evangelism, what other truths might need to be added to be complete? What other verses would you use?
2. How does exposure to God's Word tend to create boasting in us?
3. How are boasting and faith incompatible? What are the signs we are boasting, not trusting?
4. In what ways can "boasting in Christ" (Gal 6:14) replace "boasting in self" for you this week? (i.e. how will it show itself?)
5. Which is it - "when you believe in Christ, God gives you grace" OR "when God gives you grace, you believe in Christ?" How does John 6:37 help?
