~2 Peter 3:18

What do justification and sanctification mean?

Justification means our declared righteousness before God, made possible by Christ's death and resurrection for us. Sanctification means our gradual, growing righteousness, made possible by the Spirit's work in us.

God calls Joshua to be His servant - Joshua 1:1-9

Principle: God requires believers to live as His servants.

Ask your Child: What did God command Joshua?

Apply: By being strong and courageous in serving God.

Closing Song
Search Me, O God

1. What is the extent of God's knowledge concerning man? How is God different than a watchmaker? What are three ways you can apply that knowledge in your relationship to Him?
2. As one ponders the greatness of God, how is man limited in knowing and understanding Him?
3. How should God's omniscience, omnipresence, and omnipotence affect your project at work or activity at home this week?
4. How does verse 16 cause some believers difficulty and others comfort? How are you comforted by that knowledge?
5. As you consider the two responses that David had to God's greatness, what changes can be made to your prayer life and your conversations this week?
