REVIEW

BRINGING GOD'S WORD TO LIFE

August 25, 2019

But when the kindness of God our Savior and His love for mankind appeared,

~Titus 3:4

Since we are redeemed by grace alone, through faith alone, where does this faith come from?

All the gifts we receive from Christ we receive through the Holy Spirit, including faith itself.

Closing Song

1. From Rom 5:1 - "Justification is legal, Peace is relational." Why is the difference important, and how does each function in our dealings with God?
2. Besides declaring us righteous (justification), what else was necessary from God to have Peace with the people described in Rom 1-3?
3. What harm in history resulted from Southerners not following General Lee's example in surrender? What harm in relationship with the Lord has resulted from your less than total surrender to Christ?
4. Rom 5:2 - Justification brings "access to grace" - What present graces are available in Christ? See Heb 2:18, 4:16, 10:24-25, Matt 7:7, 1 Pet 2:2-3, etc.
5. How might you utilize such "access" in your present situation (be specific)?
