BRINGING GOD'S WORD TO LIFE

September 1, 2019

He saved us, not on the basis of deeds which we have done in righteousness, but according to His mercy, by the washing of regeneration and renewing by the Holy Spirit,

~Titus 3:5

Since we are redeemed by grace alone, through faith alone, where does this faith come from?

All the gifts we receive from Christ we receive through the Holy Spirit, including faith itself.

Romans 5:2-5 - In Justification's Wake: Hope

Closing Song

1. "Hope is the engine that drives us to action" - do you agree? Consider implications for an area you are struggling to be motivated... Where does your hope lie?
2. Our hope is both for glory FROM God and glory TO God. How do each motivate you? How can you increase in your mind/heart the motivating power of each?
3. Here is the procedure for team sports / workplace / life: suffer hardships, persevere, pass the test (proven), hope for advancement. How is the hope of Rom 5:2-5 different / better?
4. When has the endurance of other Christians spurred on your faith (name names!). Stop and give thanks to God for them, and make a plan to express your thanks to them (2 Cor 9:12-13).
