2. What resultant actions would come from holding each of the 4 views mentioned in the sermon related to Israel? (in history / world events, and for the individual Christian)?
3. When you read Bible prophecies such as Isaiah 2:2-4, Amos 9:11-15, Ezekiel 37:15-28... how and to whom do you understand the fulfillment of these prophecies and why? (as already fulfilled, as being fulfilled in the church, as yet to be fulfilled in the future)?
