Closing Song
Great is Thy Faithfulness

1. Which brings the most human joy — someone keeping a long-standing promise to you in an unexpected way, or you having the opportunity to fulfill a long-standing promise in an unexpected way? What relation does this question have to Rom 11:25-27?
2. What might be the tangible negative effects (now and in future) of the Church forgetting Israel's place in God's grand plan?
3. What might be the Lord's purpose for "troubling" the church in the present age? How does 1 Peter 4:12-19 shed light on this question?
4. How has this study in Rom 11 affected you? Any changes in order for you?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.

If you are interested, please email office@owassobible.org and we will get you on the list and tell you what to do next.
