Closing Song

Grace

1. Have you ever gotten the relationship between Salvation and Sanctification wrong? How exactly, and what changed for you?
2. What do you think is the most pervasive kind of wrong link between Salvation and Sanctification among otherwise faithful Christians?
3. How does the idea of “appealing” to fellow Christians play out in how parents should engage with their children (note: 1 These 2:11-12, Eph 6:1)?
4. How might church leaders know when to appeal and when to command in managing the household of God?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
