Living the Christian Life

Closing Song
All Glory Be to Christ

1. In Psalm 16:11 David speaks of fullness of joy. How does that fullness of joy differ from the “joys” offered by this world?
2. What impact does having a godly direction in one’s life effect one’s everyday life? If life is only lived from the moment, how does that impact one’s life?
3. What is one area of your life in the biblical disciplines of Bible reading, prayer, fellowship, service, hearing the Word and worship needs the most improvement in this year of 2021? What steps can be taken to make improvement in that one are?
4. What can you plan to neglect which will lead you into greater spiritual maturity this year?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
