Closing Song

Jesus, Thank You

1. What acts of love do you find yourself doing without a heart of love? What might change this in you?
2. How might BCO engage with one another more like "family?" What in particular might you do to facilitate that?
3. How does your family respond when one of its members are not "holding fast to what is good?" What biblical principles from how the family of Christ functions might be practiced in your family?
4. How might you seek to "outdo" others in showing honor within the church family?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
