Romans 12:15 - Sympathy

Closing Song
Oh How Good It Is

1. What is the connection between congregational singing and sympathy? How might remembering this connection impact your singing?
2. Beyond rejoicing & weeping, what other emotional responses might you enter into with others?
3. Often men struggle to relate emotionally with others... What are some of the causes of men being hesitant to share their "inner life?" What might help crack this nut?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
