Closing Song

Take My Life and Let It Be Consecrated

1. How is it possible to turn the other cheek and defend yourself at the same time?
2. How is seeking to restrain someone's evil toward you an act of love for them?
3. Are there any heart and practical outworking in our day for Jesus' instructions in Luke 22:35-38 to bring along \$, bag, sword?
4. Thought Question: If Jesus (& Apostles) had supernatural power and didactic influence to restrain the systemic and personal injustices being perpetrated on many around them, why do we not read of them doing so? How does this inform our view of "mission" in this evil world?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
