1. Evaluate the applications presented in the Sermon for each of the 5 scenarios — where would you differ in how you would respond?
2. What specific Scriptures / principles would you use to back-up your decisions in those situations?
3. What questions does this series in Romans 13 still leave in your mind? Discuss these things with other Christians, pray about them, and search out the Scriptures.
4. In what ways are you more prepared to engage with civic authorities and laws after this study?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
