Romans 14:13-19 - Tripping Hazards

Closing Song
Be Still, My Soul

1. What areas would you add to the list of "tripping hazards" (freedoms that some perceive as sin)? What areas would you delete from the list? Why?
2. Consider the principle state in v. 14 - "it is unclean for anyone who thinks it unclean." What does this mean? What are the implications for our decisions in areas of freedom?
3. What practical steps can you take to keep from tripping others in areas of freedom that you enjoy?
4. What further questions / objections does this teaching bring to mind?
5. What further questions do you think we should ask ourselves in making decisions in areas of freedom?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
