Closing Song
Beneath the Cross of Jesus

1. What are tangible ways that you might assist "nation workers" in their work — Rom 15:24? (see also v. 30-32)
2. What are key differences between holy ambition (as seen in Paul - Rom 15:20) and an unwholesome ambition?
3. What things might help cultivate a holy ambition for "neighbor work" in you?
4. What are some good things that you might need to leave off or strategically utilize in pursuit of "neighbor work?"

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.

REMINDERS:

PARKING

Let's continue to serve one another in our choice of parking places. If possible, please utilize offsite lots so that visitors and those with mobility issues have convenient access to the church parking spaces. Pick up a card at the welcome desk in the lower lobby to see all the parking options.

NEW SEATING ARRANGEMENT

During the 11:00 am service, the Upper Worship Center is becoming more crowded, making it difficult for the ushers to find seating for newcomers and visitors. One way we can help to make room for those folks in the 11:00 am service is to attend the 8:00 am service, which is less crowded. But if that's too early for you or your family, please plan to utilize the Lower Worship Center (LWC) at 11:00 am on a rotating basis – check out the front of the bulletin to see if it's your turn to sit in the LWC.

PRAYERS FOR OUR FACILITY

Reminder for all to be praying for the Lord's provision regarding our Facility Needs. Building team is working diligently, but there are so many things out of our hands (pandemic pricing, grant approval, buyer for present facility, etc.). Besides all this, this Project is simply a great opportunity for us to be true worshippers – not trusting in ourselves and the work of our hands, but ultimately in the Lord. We do this by consistent and earnest prayer. Let's commit together to this.
