PRAXIS
SMALL GROUP

1. How does John the Baptist serve as a helpful example of a faithful witness for us?
2. Jesus demonstrates that to reject Him is to reject God altogether (v.38). How does this clarify the central point of our witness in evangelism?
3. The Jews will continue to reject Jesus (as the Son sent from the Father) despite the ample testimonies which affirm His identity. What does this teach us about the nature of unbelief?
4. Thought Question: Why is it significant that Jesus presents all of His willing and working in connection to His Father who sent Him?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
