3. Here are ideas that Sonya shared:
  - a. Taking pictures of children with parents as they come the first day
  - b. With pandemic in mind, possibly make appointments for picture time
  - c. Have pastor come to chapel and welcome children to church & preschool and invite them to Sunday School
  - d. Fall Festival-use last year’s preschool info to invite families back this year through a personal call
  - e. Personal calls could be used at Christmas, Easter, etc.
  - f. Preschool scholarships can be extended to families in extenuating situations
  - g. Welcome letter/email to the preschool families from the church
