

# Sharing God's Word in quarantine

## *Greetings from Carrera's family*

Greetings to all of you dear brothers and sisters in Christ! Christ has risen! He has risen indeed! Alleluia!

It's a pleasure for me to share with you the news in Peru. As you know, things here changed a lot with the virus and quarantine. Although we live a hard moment because we can't leave our homes, nothing stop to God's Word continue sharing with people in Peru. Because heavens and earth could pass away but God's Word never pass away. So thanks to God, we have the technology to continue sharing this lovely and mercy God's Word with our members and also with new people that need to hear this Word specially in hard moments like this. Here are some activities that we normally do in these days:

*“But the word of the Lord endures forever. That word is the good news that was announced to you”*  
*1 Peter 1:25*

1. We meet with Latin America friend pastors to check the situation of each country and many challenges we have in the church. We share ideas together to continue sharing God's Word to all people, although the hard situation we live. We could learn of each other how to follow a better way to bring this wonderful Word to people. We give thanks to God to continue taking care of all His children in different ways in each country.

2. We continue sharing this God's Word with members and also new people by Divine Services Online on Sundays and Bible Studies in the week.

Changing roles with pastor Walterson, pastor Osmel and I, we turn to preach, do liturgy, lead Bible Studies and other activities we could do to feed this people with spiritual food they need and they ask for it specially in this hard time.

3. In the same way we receive mercy from our Lord and Savior, we are call to show mercy with our neighbor, so we also help people here with physical food. We bought some basic foods to share these with people that need to face this time they can't work for quarantine. We hope to continue doing this precious labor of mercy with more people in the next days.

***Carrera's family give special thanks to all of you for your constantly encouragement, care, and support to the us!!! Please continue consider us in your prayers. God continue taking care and bless in abundance all of you!***
