

A Christian wedding is a worship service that celebrates the love of God and our love for each other. We encourage all who are married at Prairie Lutheran to plan a wedding consistent with the Christian understanding of marriage.

MARRIAGE & THE CHURCH

We believe strongly in a Christian marriage. Marriage was God's idea in the first place and we continue to strongly affirm it in our congregation. We want each couple to have a beautiful wedding and a lifetime of love, joy & peace. We at Prairie Lutheran will do all that we can to help this goal become a reality.

A good foundation for a Christian marriage is to have a wedding ceremony where Christ is the center. A wedding creates the spirit, tone, and climate for a marriage. It suggests to all who celebrate with a bride and groom, what is of true importance.
