A Prayer for Cancer

by Harvey Mozolak

Lord, our creator and savior, we speak and think of cancer as growing, taking over and destroying. Help us, more and more, to know and feel your assuring grace replacing our weakness, filling and spreading into all our emptiness, ending and dying. Help us always to trust the power of your resurrection life now and forever, created in Christ Jesus. Amen.

Sunday's Prayer

(the prayer below is the prayer Pepper prayed at the end of the service on Sunday)

Prayer for the call process, 1/16/22

Heavenly Father,

We come to you again in prayer today.

First of all to give you thanks. Thank you for our dedicated congregation, our lay leaders, our Call Committee, and our spirited Pastor Dave. Thank you also for President Denninger, Pastor Schaefer, and Pastor Schiebel.

Please continue to be with all who are involved with our Call Process filling them with your Spirit, giving them energy, wisdom, and clarity.

In Christ's Name we pray,

Amen

Call Committee

The Call Committee has completed the review of the articles that Pastor Dave gave them. The next meeting the committee will begin reviewing the congregational profile that was sent to the District.
