Redeemer Lutheran Church offers many opportunities for women to share their talents and skills with others in pursuit of service, fellowship, bible study, prayer, social ministry and missions.

Some of the groups with opportunities for shared ministry mentioned here include:

In addition to the above, almost every other shared ministry group welcomes the participation of both men and women. You may wish to look at other brochures to find an area of special interest to you.

Vesper Society (LWML)

The Vesper Society strives to develop and maintain a greater mission consciousness among women at Redeemer through education, inspiration and service. Our major emphasis is the support of missions, both at home and abroad.

Through various fund raising efforts we help support several mission projects such as support for a child through World Vision, a seminary student in St. Louis, and Lutheran Bible Translators.

Specific fund raising projects include the sale of plants at the semi-annual rummage sales, catering lunches for outside groups such as the Master Gardeners, our winter soup dinner, spring or summer lunch, and holiday gift and bake sale.

Monthly meetings include one hour for business followed by a one hour bible study.

Meets: 2nd Monday night of each month
Time: 7:00 PM
Place: Classroom G
