Shared Ministry Opportunities in...

Youth & Education

Our youth are the future of the church. Without them who will carry on the message of God's love and salvation? Good educational programs and activities are therefore of prime importance in nurturing our children and youth to grow into active and faithful Christians.

Additional help in the form of teachers, leaders and helpers is always needed and greatly appreciated.

If you like working with children and youth, opportunities in one of the following areas may be your calling.

Confirmation (5th-6th)

Sr. High Youth (7th-12th)

Family Fun Nights (3 years to 11 years)

Sunday School (Pre-K -12th)

*...so that you, your children and their children after them may fear the LORD your God ...
