Dear Redeemer Family,

It is with great joy I am sending you this letter to inform you that Pastor Kevin McReynolds has accepted our Call to become our Senior Pastor.

The official date for him to start at Redeemer is September 1, 2020. He and his wife, Amy, are presently in the process of purchasing a home in the area and also getting their children settled in college and high school.

Because of the pandemic, this has been a longer than normal process but well worth the effect. Thanks be to God Our Father for guiding us through the Call Process and sending to us Pastor McReynolds.
