SHEPHERD OF PEACE LUTHERAN CHURCH

Called to Imitate God's Generosity

God's nature is to give, and we are created in God's image. Giving reflects the heart of God. Unfortunately, our flesh, the world, and Satan prevent us from imitating God's generous nature. In our sinful state, we are selfish, self-centered people who are inclined to keep our money for ourselves rather than to give it.

Through the working of the Holy Spirit, God fills our hearts with a spirit of generosity. We stop seeing the money we have as just for our needs and entertainment. By grace, we understand that the money God entrusts to us has the potential to be used to support mission starts and missionaries so they can share the life-saving Gospel in this land and overseas. Our money has the potential to help those who are hungry and homeless. It has the potential to support our Christian schools and agencies. It supports the mission and ministry of our church. God uses and multiplies the money we give in many wonderful ways.

Through God-given faith and new attitudes, we see that our generosity is made possible by and rooted in His generosity. We are empowered to give because of God's generosity to us. Knowing that He doesn't limit His gifts to us and experiencing His generosity at work in our lives, we respond to His appeal to give generously. God's people live with an abundant perspective trusting in His provisions. In

The Potluck: Past and Future

The potluck following the Unity Sunday service was a tremendous success and a lot of fun. We had over 70 people for lunch, and in the usual Lutheran tradition, some of the best food ever. Many thanks to all who helped make this event so successful. Those of you who brought food, helped with set up and clean up, and otherwise made this event fun for everyone are truly appreciated. Our next event will be a cookout to celebrate the youth's return from their Gathering. So start digging up your favorite cookout side dish recipes, we'll be planning in the next few weeks. That event will be Sunday, July 7th.

...Imitate God's Generosity *(cont'd from page 1)*

Scripture, we see over and over again how God's people demonstrated their trust in His abundance. Abel, Noah, Abraham, Jacob, David, the Poor Widow, Zacchaeus, and Barnabas demonstrated their faith and trust. In 2 Corinthians chapters 8 and 9, the Apostle Paul instructs the Corinthians to take up a collection for the Christian Jews suffering from famine in Jerusalem. Paul urges them to give generously because their generosity is rooted in God's ability to provide everything they need to be generous on all occasions. *"And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work"* (2 Corinthians 9:8). As our bounteous God richly bestowed on the Corinthians the capacity for generosity, He can do the same for us. In Jesus it is always more and never less. Even when things are tough, we will be given the opportunity to share because God's sufficiency will provide.

Mid-week Bible Study will be postponed during Pastor's absence.

The Case of the Missing Pastor

During the month of June, you may ponder: "Where is Pastor?" "Did he run away?" "Is he being held captive by Catholics or Baptists?" "Can I have his office?"

Well, don't go putting his face on a milk carton just yet! For the first two weeks of June, Pastor is at Concordia Seminary in St. Louis, MO, where he is engaged in study for the Doctor of Ministry program. God willing, he will return the week of June 17th. In his absence, we are blessed to have Rev. Lyle Muller lead our services. Rev. Muller is a transplant from Chicago who still has much love for the Cubs! He and his wife retired to Hot Springs Village and is the former Executive Director of Congregational Services, LC-MS.

A Special Send off for the NYG Attendees

The Youth Attendees, Ms. Dani, and Pastor Vanderbush will be leaving for the 2013 National Youth Gathering in San Antonio on June 30th directly after the 8:00am worship service. In this service a commissioning and prayers for the SOP attendees will take place. (Sunday School and the 10:30am service will continue as usual.)

Performing the special 8:00am service, adult bible study, and the 10:30am service that Sunday will be Rev. Todd Jones. Rev. Jones is the Mid-South District's Executive for Congregational Health and Outreach. He has a passion for and expertise in Community Outreach and Mission and will be a great gift to SOP in both worship and bible class, so mark your calendar and don't miss this great opportunity to meet Rev. Jones and send off the NYG Attendees as they embark on their exciting adventure!

Summertime in the Word

Isn't Summer great? It is a great time to slow down a bit and enjoy some fellowship and re-creation. No matter what you're doing over the Summer, you might have plans or none at all, consider taking some of that time to devote to God and His Word. You can even start now!

Think about these words found in Colossians 3:16-17: *Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him.*

I encourage you to pay close attention to these words.

Read them again and consider the following questions:

As Christians, what should be dwelling within us? How do we relate to "one another"? How do we do what we do? How does this involve me?

If your answers keep bringing you back to Jesus and His Word, then you're on the right track. This Summer we will have the opportunity at Shepherd of Peace for everyone to grow in the Word of Christ in a new and intentional way. We will take a journey through the bible, reading selected verses from start to finish. It is going to take us 9 weeks, but hopefully we can do it with *thankfulness in our hearts to God*. Not only will we be committed to reading the Word, but also to prayer. All this we can do together *in the name of the Lord Jesus*. On Sunday mornings, our Adult class will be based on the prior week's readings. So, whether you have never read anything in scripture before, or you can recite whole books by memory, this study is for you.

Everyone should receive a pamphlet with a simple devotion outline, a place for making prayer commitments, and a reading schedule. If you haven't received one, just ask and we'll get you one. Once you get started, email any thoughts or questions to shepeace@sbcglobal.net, or you can call or stop by the office. There is no better way to get the Summer started right than having *the word of Christ dwell in you richly*. Have fun!

~Pastor Vanderbush

Council Corner: Updates from YOUR Church Council

Michael Flakoll, Executive Director:

Wow! It does not seem possible that we are already approaching the midway point of 2013. Although there were many more than this, below are some highlights from the SOP Church Council and associated committees so far this year:

- Concluded another successful semester of MDO
- Continued our very successful Sunday School Program
- Celebrated the ministry of Carol Mayerhoff
- Staffed volunteers at the Rain or Shine 5k race in Maumelle
- Continued support for the Wades (missionaries)
- Donated supplies for underprivileged Native American children in South Dakota
- Purchased a new worship instrument for the church
- Resolved the source of the flooding in the youth room
- Painted the youth room
- Executed successful spring cleaning and workday on the grounds
- Acceptance of Pastor in to the DMin Program at the Seminary
- Initiated the Financial Review process
- Enhanced financial reporting to congregation

That seems like a lot, but it does not stop here. Below are a few items that you can help with and pray for over the summer:

- Pastor starts classes at the beginning of June
- Completion and report out of the Financial Review (Voter's Meeting will occur in June or July)
- National Youth Gathering is at the beginning of July
- VBS is in mid-July
- The grounds will require some clean up from the recent tornadoes
- Lawn mowing volunteers will continue throughout the summer and into the fall
- Potential re-vamping of the Sanctuary
- Sprucing up of the Fellowship Hall

Marc Higgins, Lay Ministers:

We met at our scheduled time in the conference room. Besides our usual focus on prayer and the spiritual needs of the Parish, our agenda discussions were: MDO moving forward and education in general, new ministry group assignments, devotional outreach to the Parish, (more on this soon) and housekeeping items like our minutes. Pastor updated us on the financial review and an update on prayer concerns. As Pastor moves forward with his PhD. studies he will be gone twice in June, he has secured a fill in Pastor. Closed with prayer.

Ben Weigand, Church Growth:

Church Growth is very excited about some upcoming partnerships with RAP (Reaching All People) Ministries! The first event will likely be in conjunction with Immerse Arkansas. Should be a great time, helping some people who really need it. I encourage everyone to take a look online about these two ministries and be thinking about joining us for upcoming events. Be on the lookout in the next couple of months for announcements in the bulletin and in bible study classes. On another note, while we will miss Pastor while he is away, we are also totally stoked about the upcoming visit from Rev. Todd Jones on June 30th. When it comes to missions and community outreach, he should be a great resource for us to help really step up our game in different ways.

A Thank You Note from Carol Mayerhoff

Dear Friends at Shepherd of Peace,

I wanted to thank you all so much for the lovely flowers that were on the altar for my last Sunday at Shepherd of Peace. They were beautiful and I continued to enjoy them this week at home. Pinks and purples are my favorites. Thanks also for the well wishes, prayers, kind words, hugs, and notes in support of my ministry. I am most grateful for **all** the years I spent with my Shepherd of Peace family, but especially for the last three. I thanked God daily for my job as I felt it was a place where I could teach children the things I knew were most important for them to know. What an amazing opportunity! Thank you so much for allowing me the chance to work with your children. I am praying now that the Lord will put something else in my path where I can feel that same fulfillment.

I love you all, and will miss you all very much. I wish you God's richest blessings as you move on to do great things for our Lord in Maumelle. Maybe I'll see you around on Tuesdays or Thursdays in the fall when Mother's Day Out resumes. Hopefully I'll see you at Kroger's or somewhere around the city, and I'll always be interested to know what's going on with you so flag me down.

Your sister in Christ,

Carol

Shepherd's Flock (Getting to know His sheep): The Aevermans

Ken was born in Chicago IL, grew up in McHenry IL, and entered the Air Force after high school. Meanwhile in Whitewright, TX, Georgia was born. She and her family moved several times within Texas, Arkansas, and Oklahoma. After high school, she went to Oklahoma City and worked for Southwestern Bell as a long distance telephone operator.

Ken and Georgia met at Tinker Air Force Base, Oklahoma City, in 1962, at a USO dance. They dated for a year and married in June 29, 1963. In September 1963, Ken was sent to isolated overseas (that means without wife) to Goosebay Labrador, where he spent 15 months.

After the Air Force, Ken and Georgia moved to Chicago, where Ken worked for Northern Trust Bank in the Loop downtown. This was his start in data processing. This was also the start of their family.

Their two children, John and Sherry were born in Chicago. Apartment living and the big city just were not conducive to raising children, so they decided to move out of the big city when the children were two and

three years old. Ken made a trip to Little Rock to look for a job in data processing. He was hired by Union Life Insurance as a computer operator. This company formed Systematics, Inc. in 1968. Ken worked with them as a computer programmer, moving to various locations for 35 years, before retiring at age 59 1/2.

They have lived in Tacoma, WA; Muncie, IN; Pompano Beach, FL; St Petersburg, FL; and Alexandria LA. Twenty years ago, they returned to the Little Rock area, to help with the conversion of Nations Bank.

Through the years, Georgia worked for the Boys Club in Alexandria, LA in the credit department of The First Bankers, FL, and as a PBX phone operator in Fort Smith, AR. She began taking painting workshops and classes after their children were grown. For the past seven years, she has taught watercolor at the Maumelle Senior Wellness Center. She has about 25 students in this class. They thank God for 50 wonderful years together.

Next Stop San Antonio

They have raised their funds and prepared their hearts and minds, now all that's left is packing their bags! National Youth Gathering participants from all over the US will be travelling to San Antonio, Texas in just a few short weeks! Twenty-five thousand young people worshipping together, learning together, and growing together; it is truly an awesome thing.

The NYG attendees from Shepherd of Peace have just one last request from you before they leave: **PRAY FOR THEM.** Pray for Dean, F'lar, Geoffrey, Ladye, Maeghan, and Savannah, that they will be forever changed from this experience, that they will grow in their love for Christ and in their understanding of the role they play as members of the kingdom of God. Pray for Pastor in his role as driver to and from the NYG and in his vocation as Pastor, that he provide comfort to any youth at the NYG that need pastoral care. Finally, pray for Ms. Dani, that she help guide these youth in the way that is pleasing to God. Pray daily for each of these members during their trip.

If you are interested in staying connected with the SOP Youth during the NYG, Ms. Dani will be posting photos and updates on Facebook (Shepherd of Peace Lutheran Church) throughout the week of the trip. Photos and an article follow-up will appear in the August newsletter.

A Summer Education Update

Our congregation is fantastic. Supply requests for VBS were filled in less than two weeks. The VBS staff wants to thank each of you who took a flag. The awesome VBS display in the narthex is the creative work of Jason and Carol Smith. Really awesome!! Sign-up sheets are also now in the narthex for volunteers for the week. Veronica Shepherd and Lisa Roberts have agreed to be in charge of VBS music. A couple of Sundays prior to VBS they will be leading the music portion Sunday School opening introducing the new songs to the children.

Many thanks to Holly Vanderbush, Carol Smith, Jeannette Hurley, Gloria Cates, Jeannie Filter, Danielle Ausburn, and Rick Sutherland. These people have agreed to teach Sunday School over the summer. We can always use people who are willing to serve as substitute teachers when these people are on vacation. Please give Jerri Shertzer a call if you can serve in this capacity.

Please invite a child in your neighborhood to our 2013 VBS. You'll be glad you did!!

Shepherd's Care Mothers' Day Out

May was another month of special days at preschool. We heard about Jesus' Ascension into heaven and the lame man who Peter and John met at the temple. We used the month to explore the gifts of wind, water, good food, and healthy bodies that God gives us. When we learned about our teeth, a dentist visited our classroom and brought along a huge set of teeth to show us how to brush. Mrs. Renee even brought us a play dough set so we could pretend to be the dentist and fill the cavities. Our study of nutrition ended with a walking field trip to Pizza Hut to make our own personal pan pizzas. (Thanks for going with us Mrs. Jerri and "other" Mrs. Carol.) We thanked God for Moms too and made a Mother's Day Garden of flowers so moms could pick their favorite bloom. Water Play Day brought the end of this school year and the beginning of summer vacation.

We used shaving cream to practice writing our letters on the tables. We had lids in the sensory table to sort in all kinds of ways. Thanks to Mr. Jason for hanging our new magnetic white board so we could continue sorting items that were opposites and items sold in various stores. We worked with letters Tt and Zz this month and added them to our letter wall. We painted cars with sponge brushes and used ice cubes to paint after we sprinkled powdered paint on our papers.

It was fun to pick and practice some songs to sing for parents and other visitors on our Parent Program Day. We chose some of our favorite songs about Jesus to sing and demonstrated a ribbon dance and a color game that we had learned. We also showed parents how we have been learning to play hand bells as we played "Jesus Loves Me" for them. After we showed our parents how to sing Tony Chestnut, they tried to sing it too, but we did it better than they did.

Water Play Day brought the end of this school year and the beginning of summer vacation... School starts early next year on August 13th.

School starts early next year on August 13th. Currently our 3-4 year old class is filled for the fall, but we are taking names for the waiting list. There are still some openings in the 1-2 year old class. Come and join the adventure.

There's a place for you at SOP!
