## Stewardship is a Matter of the Heart

God gives us the privilege and opportunity to be His stewards. Even though God gives us all things, He still allows us the freedom to choose whom or what we will serve. Whether we are stewards for the Lord, for ourselves, or for some other master depends on what controls our hearts. What or whom we love, serve, and follow is dictated by what our hearts value as most important. The choices we make reflect what is in our hearts. Satan is doing everything possible to take the love, compassion, and peace from our hearts that only Jesus offers.

In Matthew 6:21 Jesus said, *“For where your treasure is, there your heart will be also.”* We can paraphrase this by saying, *“Show me your treasure and I will show you your heart.”* What we treasure the most receives our time, energy, money, and heart. Each of us determines where his treasures lie. What do you love and treasure the most? Unfortunately, some of us may find treasures in our homes, careers, cars, hobbies, or investments. God continually invites us to make Him our treasure. If our hearts are right, our treasures will be right.

Jesus spoke about the relationship between the condition of a tree and the fruit that it bears. *“Either make the tree good and its fruit good, or make the tree bad and its fruit bad, for the tree is known by its fruit”* (Matthew 12:33). In the same way that the condition of the tree determines its fruit, so will the thoughts of our hearts dictate our words and actions (vss. 34-35). When our hearts are filled with God’s presence, we reflect God’s love, goodness, and kindness. When our hearts are right with God, our eyes are opened

to the opportunities to serve and help others. When God controls our hearts, we willingly use our time, talents, and money in ways that glorify Him. Good hearts produce good fruit. Through time spent in God’s Word and through participation in the Sacraments, God changes our hearts, making us into faithful disciples and stewards for Christ. As Solomon wrote, *“keep your heart with all vigilance, for from it flow the springs of life”* (Proverbs 4:23).

## SOP Parking Lot Sale

Shepherd of Peace’s Relay for Life Team is hosting a Maumelle area Parking Lot Sale on Saturday, May 3<sup>rd</sup> from 7:00am-1:00pm. This is a great a chance to find that “something” you’ve been looking for from individuals and vendors such as Oragami Owl representatives and Avon. More than that, it is a way to support SOP’s team and the fight against cancer!

# Confirmation Sunday, May 18th

*Train up a child in the way he should go;  
even when he is old he will not depart from it.* Proverbs 22:6

I have been privileged to teach our Junior Confirmation Class beginning last fall after Pastor Vanderbush left, and extending until the present time. I am quite proud of the work our students have accomplished these past few months, and they have truly been a joy to work with!

Two of our five students will be confirmed on Sunday, May 18. **Sarah Shepherd** and **Sydney Wray** will have completed two years of course work, and undergone an examination during the worship service on April 27. In my months of teaching this class we have worked through a 40 unit workbook emphasizing the 6 chief parts of Luther's Small Catechism, including the 10 Commandments, the Apostles Creed, the Lord's Prayer, the Sacrament of Holy Baptism, Confession (Office of the Keys), and the Sacrament of the Altar. This is our church's method of confirming the faith begun in these young people's hearts at their baptisms, and hopefully instills in them the hunger to continue their study of Holy Scriptures as they begin their lives as communicant members of Shepherd of Peace.

Please show your support for our Confirmands by attending both their examination service and their Rite of Confirmation service. Also, think about sending a card or offering an encouraging word to each of them for all the work they have undertaken to attain this milestone in their walk of faith. ~Respectfully, Mark Filter

## Memorial Day!

Jesus says in John 15:12-13, **"This is My commandment, that you love one another as I have loved you. Greater love has no one than this, that someone lay down His life for his friends."** The greatest love is seen in sacrifice, the giving of one's very self, even one's own life for the sake of others.

Memorial Day for most has become a three day weekend, the end of the school year, and the opportunity to have the first of many back-yard BBQ parties. This year, however, students will continue to go to school due to the abundance of snow days, people will return to the workplace on Tuesday morning, and the BBQ festivities will come to a close. We should never forget, though, the love, devotion to duty, honor and loyalty of our brave service men and women who have given all so that we might live in freedom, here and abroad. Their sacrifice is never forgotten!

Memorial Day (Decoration Day) has always been a day set aside to honor and remember all who gave all for our country and the freedom God has blessed us with. American flags fly at the graves of veterans, a wreath will be laid at the Tomb of the Unknown Soldier, and floral arrangements adorn the graves of loved ones. The playing of TAPS always brings a tear to my eye. The most famous verse of TAPS is, **"Day is done, gone the sun; From the lake, from the hills; From the sky; All is well, safely rest; God is nigh!"** God is near!

During my service in the Persian Gulf in the early 90's, we were given a card with Psalm 91 printed on it. This Psalm of Protection begins with these words, **"He who dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the LORD, 'He is my Refuge and my Fortress, my God in whom I trust.' Surely He will save you from the fowler's snare and from the deadly pestilence. He will cover you with His feathers, and under His wings you will find refuge; His faithfulness will be your shield and rampart."** God's faithfulness is our shield against our sinful flesh, the world and Satan! God's faithfulness is our shield against sin, death and hell! God's faithfulness is for all who believe in Him, our salvation, even eternal life with Christ! Jesus gave all for us, His friends, so that we might not perish, but have eternal life! God is near! ~ Pastor Henning, *Ephesians 2:8-9*

## Unity Sunday, May 4th

May 4<sup>th</sup> is Unity Sunday. Vicar Sean Kilgo will be leading us in our worship service. Vicar Kilgo is a Fort Wayne Seminary student serving as vicar at Zion Lutheran, Avila, Arkansas Sunday school will start slightly earlier than usual, 9:00am. Service will begin at 10:00am and will not include communion. Following worship, we will have a potluck in the Fellowship Hall. The church will be providing chicken and bread. Please bring a picnic style side dish to share.

Unity Sunday is a great chance to spend time in worship and fellowship with members who go to "the other service." We hope that you use this as an opportunity to encourage friends to come visit Shepherd of Peace.

## Parish Grounds

I am so proud of the commitment of the 18 members who came out to help get SOP ready to celebrate CHRIST's resurrection. We did not complete the entire list of items to do but we were close and the church and grounds look wonderful. Our committee had a pretty hefty list of things to accomplish this year and the majority are done and we are not half way thru the year.

We as a board have decided to table the Altar renovation until we have called our new pastor.

We intend to use this as a opportunity to come together as a congregation for a project that we all can work on as a team, God's team.

I will be asking the congregation for help with mowing of the grounds this summer. We currently have 3 teams of 2 scheduled and want as many as 6. We will create a work schedule for the entire summer and hopefully have enough volunteers to need each team only once a month. We know we will have to fill in occasionally and 3 of us are prepared to do that as necessary. Please consider helping if you can. To GOD Be the Glory! ~Chuck

## Relay for Life

Church Growth is encouraging members of Shepherd of Peace to be a part of our Relay for Life team! Several members and friends of SOP have already signed-up to join the team. Our own **Elaina Flakoll** won a prize for raising the most money for the American Cancer Society of all the Maumelle Relay Teams! (*Way to go, Elaina!*) You too can be part of the fun leading up to the May 30<sup>th</sup> relay, by registering at [www.relayforlife.org](http://www.relayforlife.org). Just let the prompts guide you to Maumelle Relay for Life Shepherd of Peace. Opportunities are also available to honor loved ones or celebrate being a survivor. Details are available at the Relay Table in the church Narthex. What are you waiting for?! ~Ben

## Notes from Education

Mark your calendars: VBS dates are July 20th thru the 24th. We will start signing up volunteers in May. Please consider helping Shepherd of Peace with VBS this year. It is so rewarding to see the kids learn about God's word, and have a good time doing it. There is a place for your talents at VBS. Even if you can't help every night, we can use you whatever nights you are available. Check out the volunteer table for opportunities! ~Jerri

## SOP Disaster Relief

The leadership of Shepherd of Peace is thankful for the many volunteers from our church and our community for their donations of time and goods for those affected by the recent tornado. We have been blessed to transport more than 40 truck loads full of needed items to our neighbors in Mayflower. We will continue to be Maumelle's main donation hub through next week as well. Drop off times will be Monday-Thursday 8am-6:30pm. If you would like to help man the drop off site, please contact the church office. The office will continue to send out updates on needs being requested by email and on our Facebook page.

## Just the Numbers, Please

During March, actual income from giving was reported at 97% of projected income. This is up from January and February (70% and 87% respectively). Also up are actual expenses. In January, spending was reported at 48% of projections, while in February only 43% of projected spending was realized. March saw a significant increase in that 64% of projected expenses were incurred.

# The Shepherd's Flock (Getting to know His sheep): Our Graduates

Shepherd of Peace will have four of our young members graduate from high school at the end of May. We are proud of these young men and their accomplishments. Each of these graduates have been a part of the Shepherd of Peace family most of their lives, so it is fitting that they are the spotlight of this month's Shepherd's Flock. A reception in honor of our graduates will take place at 10am on Sunday, May 25th in the fellowship hall.

## **F'lar Marqus Dale Ausburn**

F'lar Ausburn is graduating from Maumelle High School and will be attending UCA in the fall as a member of the UCA Band Program. He credits his love for music to Mr. Mouton, his band director, as well as Mr. Ron and Mrs. Lisa. He is sad to be graduating and leaving what he has always known, but he looks forward to finding out what God has planned for him.

## **Geoffrey Thomas Flemmons**

Geoff Flemmons is graduating from Little Rock Christian Academy and will be heading to Arkansas State in the Fall. He is planning to be a part of Greek life, marching band, and intramural sports.

"I will miss the welcoming community the most at Shepherd of Peace. I love walking up to Mr. Bob and always hearing him say, "How's my buddy?" or talking to Mr. Felix about how it isn't the cowboys year again. I love the fellowship and I hope I will be able to find a church community as welcoming as Shepherd of Peace in Jonesboro!"

## **Caleb Louis Mahnken**

I am a senior at Beebe High School and live in McRae. I will graduate from Beebe on May 16<sup>th</sup> in the high school auditorium.

I moved to McRae when I was 10 years old after my mother, Erin Mahnken, married Brad Newman. My little brother, Lane, is four years old and I am his buddy. Lane and I feed and take care of our various animals together. As he gets older he is able to help me more and more.

My favorite class in high school is mechanics, which is held at the high school in Searcy. I enjoy doing general automotive repairs, making things work, and building things - especially using the welder. After I graduate from high school, I plan to move to North Little Rock, work part time, and go to Pulaski Technical College. My hope is to complete the Welding Technical Program and find employment within this field. I have already used welding to do some repairs, building, and sculpting.

I look forward to being closer to town to make it easier to attend church and Bible class on Sundays. I know the Lord will bless me in all that I do in the future.

## **Austin Joseph Quimby**

Austin Quimby is graduating from Maumelle High School. Austin and his family moved here from Kansas, shortly before he was 9 months old. Shepherd of Peace and Maumelle are the only church and town he has known. "We have many locations that have Pastor Mayerhoff listed as our Emergency Contact, he was the only person we knew."

Austin will attend Arkansas State at Jonesboro this fall with plans to enter the Electrical Engineering program. It may have been awhile since you have seen him. In addition to being a full time student at Maumelle High, he also works 32 hours weekly at Walmart. He has worked there over a year and will be able to transfer to Jonesboro.

Austin and his family feel blessed to include Shepherd of Peace as family. They also wish to thank Jerri Shertzer, Shepherd of Peace's own personal tutor. She has shared her time and talent to help many SOP kids.

# Holy Week Observances

Shepherd of Peace's Holy Week observances began with a Palm Sunday Procession and Service

We watched the cross change for Maundy Thursday and Good Friday

We rejoiced on Easter Sunday as we celebrated our risen Savior and welcomed new members through Baptism, Confirmation, & Affirmation

# Shepherd's Care Mother's Day Out News

April was focused on preparing for Easter at MDO. We began the month learning about Zacchaeus and how he wanted to see Jesus. Then we cut our own tree branches and pretended we could see Jesus coming down the road for our Palm Sunday parade. Next we were saddened by the crucifixion story, but were filled with excitement at the story of the resurrection of our Lord. Finally we extended the Easter story to learn about Thomas, who had to be convinced that the Lord was truly alive. We heard how the Marys and Thomas spread the good news about Jesus, and we practiced sharing that news as well. We will end the month learning about how Timothy and Paul were also good examples of sharing that good news.

We practiced some fine motor skills and patterning as we manipulated Light Bright pegs and pattern blocks. We painted with our fingers, shaving cream, egg dye, and water droppers, as well as reviewing colors and Easter concepts with matching games. In music we sang "I Doubt It" with Thomas, "Hosanna, Hosanna" with the children on Palm Sunday and "He is Risen" with Christians everywhere as we celebrated the resurrection. We practiced our handbells, and we can even play a recognizable song - if you listen closely.

We talked more about those vowel letters that have one name, but make two sounds. We added Ee and Oo to our letter wall. We also worked on "reading" a predictable book about colors as well as using one to one correspondence with words. In math we explored ordering by size and the more/less concept as it went with our lessons about small Zacchaeus. We had a live bunny come to visit and watched our caterpillars as they grew, then "hung out" in their chrysalises waiting to become butterflies, and finally emerged as beautiful winged creatures. We plan to release them the last week of this month.

We had fun searching for Easter eggs and enjoying bunny shaped sandwiches, veggies, fruit, and Rice Krispy treats for our Easter party. We also had lots of birthday treats this month. Thanks so much, Moms, for making that happen.

During May we will be ending this school year. We have a walking trip to Pizza Hut planned for mid May when we study food groups. Water play day will be the May 29th, and we'll sing a few end of the year songs for parents and guests on May 27th around 9:30. Check out the calendar for dates and watch folders for notes. We will be opening fall registration to the general public during May, so if you have not reserved your place for next year, **now is the time**.
