Unforeseen Appointments

*"In his heart a man plans his course,
 but the LORD determines his steps."*

Proverbs 16:9

Everyone has a calendar or appointment book. It seems imperative these days with all the running around we have to do. Mine is on my phone. It has all my appointments and the appointments of everyone in my family. They are even color coded. Mine are blue. Kim's are red. The kids' are grey, green, yellow and orange. It really helps me keep my life organized. I don't know what I would do without it. Actually, I do. I would forget!

With that being said, there is still a lot of white on my calendar, empty blocks of time which are filled with normal, everyday activity. I do things at work. I do things at home. I do things here and there. They are not things that are scheduled, but are still important and need to be done.

There is another calendar that governs my life, though. It's not on my phone or anywhere else that I can see it. I have no way of adding to it, editing it or deleting it. I can't plan for it; it just happens. It's Jesus's appointment book. Every day he fills my life with unexpected things – a phone call, a visitor, a conversation over the fence, a random encounter with a stranger. While they are unexpected for me, they are not unexpected by Him. They are appointments that he made for me without consulting me or giving me a heads up. They are unexpected appointments. That's his prerogative. After all we join Thomas in confessing that he is, "my Lord and my God." If that is what he is, then he has no need to get our permission before he decides how we should serve him.

Now if my Lord and God made an appointment for me, then he has a purpose for me to be there. I don't know exactly what it might be. It's different every time. But I am sure that I can do whatever he sent me to do. After all, he knows all things and is very good at working things out. So I have come to expect that while there are a lot of white spaces along with a lot of colored spaces on my calendar, my Lord Jesus has the authority to change it all around and do whatever he wants with it.

Some people might find this frustrating, but I've learned to go with it. It usually turns out better than how I could have planned it. And the other things still seem to get done somehow.

Wise Solomon once wrote, "In his heart a man plans his course, but the Lord determines his steps" (Proverbs 16:6). James, the brother of our Lord, teaches us to defer to the Lord when it comes to our plans by taking the attitude of "if the Lord wills." (James 4:15).

Tips on Reading the Bible

1. *Start today - There is no better time, and there's no reason to wait.*
2. *Set aside a specific time each day. Set your schedule, and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.*
3. *Read for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking for Him to give you wisdom and understanding, then be refreshed by the words you read!*

Dear fellow members of Hope,

Reading through the Bible with some of our youth each month has been a fulfilling experience— (selfishly) probably, mostly for me. I have so missed working with them and seeing them on a regular basis. As stated earlier, I am hoping that this experience will help all of us to grow closer to God individually as well as to grow closer as a group. We have read in groups ranging from 5 to 9 people, and the youth have done a fantastic job!

Occasionally, I find a great article to share. The following is from one of my devotional emails, and it comes from Tim Hetzner at Lutheran Church Charities. I hope that you enjoy it and that you find it instructive for YOUR spiritual life! Please remember that anyone is invited to join us. However, I would ask that you please let me know to expect you so that I may fill you in on the details before you show up.

“Daily Bible study is essential to your spiritual growth. Professor Howard Hendricks writes: ‘When our kids were youngsters growing up, we set up a growth chart on the back of a closet door. As they grew, they begged us to measure how tall they’d gotten and record it on the chart. It didn’t matter how small the increments were, they bounced up and down with excitement to see their progress. One time after I measured one of my daughters, she asked me the sort of question you wish kids wouldn’t ask: “Daddy, why do big people stop growing?” How could I explain that big people don’t stop growing – we just grow in a different direction? I don’t know what I told her, but to this day the Lord is still asking me, “Hendricks, are you growing old, or are you growing up?”’ How about you? How long have you been a Christian? Nine months? Thirty-nine years? The real issue is how much have you grown up? Step up to God’s growth chart and measure your progress. That’s what the apostle Peter meant when he wrote, *“Like newborn babies, long for the pure milk of the word, so that by it you may grow in respect to salvation.”* Just as a baby grabs for the bottle, you grab for the Bible. The baby has to have milk to sustain its life physically; and you have to have the Scriptures to sustain your life spiritually. So the first reason for studying the Scriptures is that it’s a means of spiritual growth. It is God’s primary tool to develop you as an individual.”

Every day with JESUS is an ADVENTURE—
make it count!

Kari

(Continued from Cover)

So what's your schedule like today? Are you busy? Do you have free time? Are you just filling the hours with the usual stuff? Don't be surprised if the Lord Jesus has something else planned for you. In fact, I would encourage you to look for those moments. And if that happens, go with it. Trust that he has you there for a purpose. Perhaps it is to pray, to encourage, to serve, to comfort, or to share the good news of Jesus. Remember, it may be unexpected for you, but not for him. The Lord will guide your steps. Watch out for those unexpected appointments.

Your servant in Christ,

Pastor Ryden

HOLY LAND TOUR 2022

Experience the Middle East—with its rich history and diverse cultures. Israel, birthplace of three of the world's largest religions—Judaism, Islam, and Christianity—has been a pilgrimage center for people throughout the ages and is a treasure trove of biblical sites. We will visit the Sea of Galilee and the cities of Tiberius, Capernaum and Magdala. We will visit the Church of Nativity in Bethlehem and follow the Stations of the Cross along the Via Dolorosa in Jerusalem. Visit the Mount of Beatitudes, where Jesus delivered his Sermon on the Mount, the Mount of Olives, the Wailing Wall, the most holy shrine in the Jewish religion; the pools of Bethesda, the Upper Room, the Garden Tomb and much more. In Jordan, discover the ancient "rose-red" city of Petra; you'll visit the city of Jericho and feel the buoyancy as you float in the Dead Sea, the lowest place on Earth and renowned for its healing properties. The tour begins on June 7, 2022 and runs for ten days. Additionally, there is an optional four-day extension to the country of Jordan.

For more information, see the brochure on the bulletin board and/or contact Judy Wierman at 815-922-2482 or jawierman@yahoo.com

Postponed till June 7-16, 2022

An opportunity has come up for Pastor Ryden to participate in a 13-day trip to Israel and Jordan in April of 2021. He will get a chance to experience the Holy Land in an up-close-and-personal-way and to bring his experiences back to Hope in the form of bible studies, sermons, teachings and stories.

The trip will take place between April 28—May 11th, 2021. Areas that will be visited include Galilee, Bethlehem, Bethany, the Jordan River, the Dead Sea, Mt of Olives, the Garden of Gethsemane, the Upper Room, Mt Nebo and many other locations. The full cost of the trip, which includes air fare, hotel, most food, taxes, gratuity, visas and trip

insurance is \$6,000. That equates to approximately \$425 per day. Additional information is included in the brochure on the bulletin board in the Narthex.

Won't you prayerfully consider helping to fund the cost of the trip? Full payment is required by December 31, 2020.

Your participation is greatly appreciated!

Organ Campaign Update

So far we have received pledges and donations totaling approximately \$32,000.00 or 40% of our goal. Our sincere thanks to everyone that has participated so far. If you have not had the opportunity to make a pledge, we ask that you prayerfully consider doing so. Payments can still be mailed in.

Once we reach our goal of \$80,000, an order for a new instrument will be placed with delivery approximately three months later.

I think you'll agree that music plays an important role in our church; not only for worship services, but for weddings, funerals, and other special occasions or events. Having a modern, reliable organ will enable us to continue to provide quality accompaniment to all the members and visitors of Hope Lutheran Church.

Blessings always,
Steve Fuller, Executive Director
