Message from the President

2023 Budget

Soon we will be entering into the most holy week in the Church year as our Lenten journey reaches its climax. It begins with Palm Sunday, the day on which our Lord rode into Jerusalem as the King who comes to save his people. The next big event happens on Thursday. This was the day when Jesus celebrated the Passover meal with his disciples. At that meal he instituted his Holy Supper as the fulfillment of the Passover promise. This was the evening when Jesus gave them the command to love one another as he had loved them, washed the disciples' feet, and then went to the Garden of Gethsemane to pray. Maundy Thursday gets its name from the mandate that Jesus gave his followers to love one another. Maundy is the Latin word for Mandate. Then we come to Good Friday, the day on which our Lord was crucified for the sins of the world. All these events culminate in our Easter celebration when we remember the greatest miracle of all time: the resurrection of our Lord. Together these events make up holy week.

Each of these days are important to the salvation narrative. If you leave out one of them you don't get the whole story. You can't have Jesus celebrating the Passover without first riding into Jerusalem. His death loses its meaning unless we understand that it was to establish a new covenant in his blood for the forgiveness of sins. And the resurrection loses its punch unless we first confront the reality of death. All of these events are important to our faith.

Imagine what would happen if you read only the first chapter of a book and then skipped to the last chapter. You would miss most of the story and the ending wouldn't make sense. So it is when we skip right from Palm Sunday to Easter without pausing to meditate and worship on Maundy Thursday and Good Friday. We need to get the whole story.

( Continued on page 6 )

The cross symbolizes the hope Christians have in Christ and the firm faith which keeps Christians steady in the storms of life. These ideas are based on Hebrews 6:19 which reads: "We have this hope, a sure and steadfast anchor of the soul, a hope that enters the inner shrine behind the curtain." (NRSV).

## Tips on Reading the Bible

1. *Start today - There is no better time, and there's no reason to wait.*
2. *Set aside a specific time each day. Set your schedule, and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.*
3. *Read for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking for Him to give you wisdom and understanding, then be refreshed by the words you read!*

## A Better Way

The most common question about stewardship is not *whether* a Christian should give to their church. Of course Christians should give to their church. Everyone knows this. Rather, the question asked most is, “How much should I give?” But this question really means, “Should Christians give a tenth of their income to their local congregation?” Here are some common reasons against tithing. Some say tithing isn’t necessary because it isn’t expressly commanded in the New Testament. There is no “Thus saith the Lord,” or “should” concerning tithing. Others say that Christians give to their congregation in ways much broader than money. They give of their time and their talents, and these together with treasures (money) add up to more than a tithe. Still others say that they give of their treasures to other things besides their congregation, and they want to support those things alongside their church. And then there are those who think Christians shouldn’t tithe because of some fear. They are afraid that if they tithe, their gift will be misused, or that after tithing, there won’t be enough left over to get the things that they use, want or need.

Here are some reasons why Christians *should* tithe. Even though the New Testament doesn’t specifically command Christians to tithe, the Old Testament people were commanded to. And on top of this, St. Paul often describes giving a regular and generous proportion of the first fruits of one’s income — terms similar to a tithe (2 Cor. 8:7–23; 2 Cor. 9:2–7).

But here’s another way to think about it. What was the point of the tithe in the Old Testament? Where did it go? This tithe was intended to support the ministry of the Levites. They were not given any land because they had no time to farm; their full-time job was the ministry. What does it say in the New Testament? “The Lord commanded that those who proclaim the gospel should get their living by the gospel” (1 Cor. 9:14). This is the verse that Luther used in the Small Catechism’s Table of Duties to explain what Christians owe to the support of the ministry.

It seems clear from both the Old and the New Testaments that the tithe is the goal of Christians in their giving. But what if we’re not there yet? How should we handle this? What are we to do?

Let’s answer this by asking a different question. What would you say to your adult children who only attended church quarterly or once a month? After all, there is no passage in the New Testament that requires Christians to go to church weekly. Hebrews 10:25 is the closest verse we have, and it states simply that Christians should not neglect gathering together. And even though there is no passage that commands Christians to gather weekly, that is the implicit expectation throughout the Old and New Testaments.

So, what would you say to that son or daughter? The conversation might go something like this. I’m glad you’re still going to church. It is a wonderful blessing to hear God’s promises of forgiveness, life and salvation, and to receive His gifts in Word and Sacrament. But you can do better, and it will only be a blessing to you. There is a better way, and I’d really like you to try to attain it.

We should approach the topic of tithing with a similar conversation. The tithe is not specifically commanded in the New Testament, but it sure seems like the implicit expectation of both the Old and New Testaments. So, we’re ecstatic that you’re giving, and that you’re giving in all these various ways — time, talents and treasures. But there is a better way. And that will only be a blessing to you, just as the Word of God — Old and New Testament alike — promises. Can you try increasing your gifts over the coming weeks, months and years? Can you put your trust in the God who sent His Son to take away your sin and give you everlasting life? And if He did this for you, if He did not spare His only Son, how will He not give you all things? He will not disappoint.

( Continued from Cover )

As we enter into holy week, I want to encourage everyone to make every effort to get the whole story. Come and rejoice with the crowds as we hail Jesus as the King who comes in the name of the Lord. Accept his invitation to join him in his most holy meal. Follow him to the judgment hall and to calvary. Watch with John and Mary as they witness the greatest act of love in human history, the death of the Son of God. Then lift your alleluias with hundreds of millions of your fellow Christians on the day of our Lord's resurrection.

This Holy Week come hear the blessed gospel of our Lord's live, death and resurrection for you and me. Come and get the whole story.

Your servant in Christ,

Pastor Bill Ryden

# Message from the Board President

## 2023 Proposed Budget

You know that feeling you get when something you have been working on for a while finally gets done! Whether it's a personal project at home or at work. Its that euphoria that all the hard work you put into it is finally done and this is the end result. You're happy it's over and usually feeling deep pleasure or satisfaction of how it came out.

That is how I, and the rest of the Board, I think, feel about this budget. After a few months of discussing, analyzing, and adding up numbers, the 2023 Hope Budget was approved. It will now go to you, the members, for the final approval on Saturday, April 22nd at 6:00pm.

Because of the last Board having to deal with the emergency new roof, the church converting over to a Policy base system, and a completely new board, the budget was unfortunately not ready by January. This board will be working on the 2024 budget in the next few months and should be ready by next January. The 2023 Budget is on page 17, and also one is posted on the bulletin board in Admin corridor. The new format should be easier to read and I hope, to understand! Over the next three weeks, if you have any questions, please call, text, email, or see me in person and I will do my best to answer any questions.

Next up on the agenda is the roof and how Hope will pay for that. That I will talk about next month. Just want to say "thanks" for all those who called, sent me letters, or have talked to me in person. Please continue to do so, I love hearing from you. Hope to see everyone during Holy Week. Have a Blessed Easter.

As usual, If you want to talk to me you can catch me at church at 8:00 am, leave a note in my church mailbox, email me at [cds5764@gmail.com](mailto:cds5764@gmail.com), or text or call me at 815-474-7485 before 9pm. If you are up early, I am on the road at 4:50am for an hour, we can talk then!

Your servant in Christ,

Dwight Sieger
