

Remind Messaging Permission Form

The Spirit of Christ Youth Board will use Remind to help keep you informed about Youth events. Remind is a free service that lets the Youth Board send quick messages via text, push notifications, or email to Youth and parents. You will not receive advertisement texts and your phone number/email address will remain private. You may choose to opt out of receiving messages at any time. Normal text messaging rates may apply to messages you receive.

For information on Remind's use and collection of personal information, please review Remind's privacy policy at <https://www.remind.com/privacy-policy> and terms of service at <https://www.remind.com/terms-of-service>. More information about Remind is available at <https://www.remind.com>.
