

SHEPHERD'S FLOCK PRESCHOOL

June 2023 • Shepherd of the Hills

Monthly Update

And just like that, our school year is over. Wow! Our school year ended with 20 children enrolled in our morning preschool class and 8 children in the afternoon class. What a blessing to share Jesus' love with so many families each day. We hope many of you were able to attend our End of the Year Program and check out the Art Show in the gym – 135 pieces of beautiful artwork from throughout the school year was on display! Our preschoolers did such a wonderful job singing during the program and it was so fun to see all the pictures in slideshows from throughout the school year.

Our summer program will be held the first two weeks in June. This year our theme is Finding Jesus, Under the Sea! Our preschoolers will enjoy lots of outdoor & water fun as they learn the stories of Jonah and the Whale & Jesus Calms the Storm.
