

## ***Pastor's Note (Sept 2007)***

Greetings in Christ,

Thank You, Thank You, Thank You, and again Thank You!!! Last Month I had friends and family visiting from six states, and two countries and you all played the role of host wonderfully. I can not count the number of compliments I received on your behalf; your hospitality and kindness were well received and very appreciated.

As this busy summer comes to an end we have done a wonderful Job of representing our Lord to our community in a number of ways. We have been part of filling grocery bags at the Sevier County food bank. We have been of great help to the Woman's care center. We have provided almost \$400 dollars of materials from "Lutherans for Life" to The "Sevier County Right to Life Association" which will be distributing these materials at the Sevier County Fair this month. We have prayed for, visited, and provided meals for our sick, hospitalized and home bound. And it has been in accordance with God's will to work through the hands of Doctors to provide successful surgeries for our friends Pastor Dettmer, Bill Grizzle and Janice Gaulke.

This congregation has done much to help those who are close to us and those we do not even know in our community who are in need. I consider myself lucky to be part of such a loving, sharing, generous group of people.

That being said, our community still needs our help and God still gives us the privilege of sharing His love with those in need on a daily basis. We can always be sure that in this was the church will always have a job because Jesus said so; ***Matt 26:11a 11 The poor you will always have with you,*** We must always look at the opportunity to help those in need as a privilege and opportunity to share the others the love Christ placed in our hearts.

So as you go forward this month into the business of a new school year and all the busy things that this new fall has in store for you; Take a moment to thank God for the blessings you have; the trials you have been given an opportunity to endure and grow from, and most importantly for the faith you are blessed to have and share with those around you.

In Christ  
Pastor Portier
