

BRIAN YOUNG—NATIONAL CREATION SPEAKER

Brian Young, an internationally known speaker and author, was a teacher and principal for ten years before becoming director of **Creation Instruction of Association** and the **Semiaurus Mobile Creation Museum**. He has now been speaking on the topic of creation and Biblical authority for 25 years, doing debates at Universities, going into prisons, and sharing churches, school and camps around the world.

Brian will be presenting at our church (St. Andrew) on Sunday, **March 3rd at 6:30pm**. This presentation is called, “Dinosaurs, Ice-age, and Pre-flood World”. Ever wondered how people could live to be 900 years old in Bible times? Are dinosaurs in the Bible? Did dinosaurs go on Noah’s Ark? All these questions, and many more will be answered during this presentation!

Cost: No cost to attend, but a free-will offering will be taken to help cover the speaker’s fee and travel costs.

Confirmation Students: Attend this presentation, complete a summary sheet (provided), and receive credit for ONE sermon summary.
