God's Ten Words:

Exploring the 10 Commandments & their Context for our Lives

...Is our Lenten Series

In this series we'll look at how these 10 "Words" work in our lives. We know them as the 10 Commandments. We've learned them in Sunday School, at home and had to memorize them in Confirmation Classes. Are they just something we had to learn? Are simply used to accuse us? No, they are much more as we explore how Scripture unfolds their deep meaning of how our heavenly Father truly loves by giving us these words all centered in Jesus Christ, Our Savior. The work on this series was done by Rev. Tom Eckstein of Concordia Lutheran Church, Jamestown, ND.

February 14, 2018 is Ash Wednesday includes the imposition of Ashes with Communion using common and individual cups.

NEW TO OUR LIBRARY!

How Many Animals Were on the Ark? One of the reasons that so many people don't believe in the Biblical account of Noah's Ark and the flood is that they don't think even such a large ship could hold two of each of all of the different kinds of animals. But what they don't understand is that God designed tremendous genetic variation in each "kind" of animal! This beautifully illustrated book is designed for all ages - and will especially be enjoyed by youth and children!

Day 41 This is a wonderful new quarterly magazine publication of "40 Days For Life", a national pro-life organization. You'll find it on the magazine shelf. (The Winter issue has a picture of a smiling little boy in a red and black plaid shirt.)
