

ST. ANDREW TRUMPETER

SEPTEMBER 2023

Pastor's Soundings in the Trumpeter...

We want to be loved. Everyone wants to be loved. What does love mean? A feeling? Many think of love as a happy cozy feeling. You want to be with that other person and/or that person wants to be with you. It's the love romanticized in Disney movies, like Cinderella, Sleeping Beauty, Bambi, and the list goes on.

The English language doesn't help either. The same word used for "love your spouse" is also used for "love ice cream" and the score in Tennis. Loving your spouse and loving ice cream are certain two different things. If your love for your spouse is as in tennis, that's not good.

We see the definition of love changing in our society. Bryan Wolfmueller in his book, A Martyr's Faith in a Faithless World writes, "The devil has a vested interest in abstracting and redefining love. If he can convince us that love is a feeling, found in ourselves, then he can disconnect love from the commandments of God. He can use love against the commandments of God. This, in fact, is what happened. It is the easiest to see with the Sixth Commandment and the devil's assault on marriage.

"The argument that two men or two women can be married passed through the Supreme Court a few years back. It was an argument from abstract love, that you can't stop two people from loving each other. 'Love wins' was on the celebratory rainbow flags outside the court. This is not a new argument. For years, the young men have said to the young ladies, 'If we love each other, how can it be wrong, is made 'right' by the claim of love.'" p. 150-151.

Biblical love is defined by specific activity. Love is action done for good. Love is not just letting the person do what they want and approving of it. Love is defined by the 10 commandments. For example, love is not stealing from others. When people don't steal from you, they are showing love toward you. Luther through the Small Catechism helps us to look at this commandment in the positive, "help him to improve and protect his possessions and income." Love is shared when people help to improve and protect each other's possession and income. This is true of all of the commandments.

In Mark 12:29-31 Jesus summarizes the law with one word, "love," "The most important is, 'Hear, O Israel: The Lord our God, the Lord is one. 30 And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' 31 The second is this: 'You shall love your neighbor as yourself.' There is no other commandment greater than these" (ESV).

Paul connects love with the 10 commandments when he writes in Romans 13:8-10, (ESV) "Owe no one anything, except to love each other, for the one who loves another has fulfilled the law. For the commandments, 'You shall not commit adultery, You shall not murder, You shall not steal, You shall not covet,' and any other commandment, are summed up in this word: 'You shall love your neighbor as yourself.' Love does no wrong to a neighbor; therefore love is the fulfilling of the law."

Love is not centered in ourselves, but in Jesus and His cross, as He says in John 15:12, (ESV) "This is my commandment, that you love one another as I have loved you. In Christ's service;

UNDERSTANDING THE BIBLE

Rev. Dr. Adam Filipek, of Holy Cross and Immanuel Lutheran Churches, Lidgerwood, ND, has written a book for CPH that will help you understand the Bible and the Christian life more clearly. Life in Christ: Rooted, Woven, and Grafted into God's Story provides a great walkthrough and overview of the Bible, the six chief parts of the catechism in their biblical contexts, the Sunday Divine Service, the Christian life, and even heaven and hell. The goal of the book is to increase biblical literacy and to cultivate a love of the one true God and a desire to dwell with Him through Word and Sacrament. This narrative approach increases biblical literacy, a love of liturgy, a deeper understanding of vocation, and a yearning for Christ's return.

"MAIN STREET LIVING NORTH"

As I write this newsletter article on "9-11" of 2023, it's hard to believe that 22 years have now gone by since the Twin Towers in New York City were destroyed. Many of the news programs are remembering the horrific actions flowing from mankind's sinful hearts which killed and injured so many people! Holy Scripture tells us that "Out of the heart comes evil thoughts, murder, adultery, sexual immorality, theft false testimony, slander." Matthew 15:19. But thanks be to God through Jesus Christ, there is power in God's word to renew our fallen hearts and minds - and to forgive repentant hearts!

Please continue to share information about our LCMS "Main Street Living" media ministry with others. In addition to being broadcast each Sunday morning, you can view archived programs anytime at www.mainstreetliving.com - then click on the link identified as "Fargo/Bismarck". Worship services from the five other MSL broadcast areas, as well as the weekly This Is the Life programs, are also available for viewing on the website.

Thank you for your needed financial support! Checks may be sent to "Main Street Living NORTH," 821-5th Ave S, Fargo, ND 58103, or donate by Credit Card or your PayPal account on the website. God's blessing in Christ!

FAITH CONNECTION- When seasons change...Our God never does!

Last month we talked about new beginnings. Now that the new school year isn't as new, it can be easy to get caught up in the details. Things are different from last year, and we can get caught comparing how life was different or even better last year. Maybe your best friend decided he or she wanted to join a different circle of friends, and you don't talk like you use to. Or, maybe classes are just so much more work and more confusing than last year. We also live in a society that always changes it's mind on what it thinks is best for us. Things that were cool in school even last year, are now considered old and unpopular. There is so much change going on, and it would be nice if some things just lasted and stayed the same. Luckily, our Savior does.

Jesus Christ is the same yesterday, today, and forever (Hebrews 13:8)

Though friends, relationships, and most things in our lives come and go like leaves on trees in the fall, our God promises to stay with us, always love us, and keep His promises to us each and every day. Jesus sees and understands every struggle you go through, and He promises to be with you through each and every one. Friends change as we get older, but Christ promises as our Savior and best friend to hear our every prayer and give us strength to get through every problem we face. Our God is the same Yahweh-God of the Old Testament, Savior who died on the cross and rose on Easter morning, and Holy Spirit- Comforter who gives us faith today. God goes before all our to-days and tomorrows and is right there beside us. He says, "Never will I leave you, or forsake you" (Deuteronomy 31:8). He promises to be with us through it all, and we can set our hope in Him, He truly keeps all His promises. Even as things change so constantly in our world today, we know that our God will forever stay constant. Amen.

Growing Together in Grace August Update

It is with great pleasure & thanksgiving that we can announce that the Growing Together in Grace capital improvement campaign has surpassed the 66% fundraising threshold. As of mid-Sept, the campaign has raised \$845,605 of \$1.25 million. The Board of Ed has approved taking the next step in the campaign. This is an exciting time in the history of Grace Lutheran School.

GTIG will continue its work until the project can be fully funded. If you feel called to support the campaign, please contact Amy Hirsch at 701-232-7747 or amy.hirsch@glsfargo.org.

Thank you to all who have pledged or sent gifts in the early stages of this campaign. God has worked mightily to bring the project to the next step.

Grace Lutheran School's "GROWING TOGETHER IN GRACE" **Project Update**

\$50,000 Matching Challenge Pledge Announced!

St. Andrew is a member of the Red River Lutheran School Association (RRLSA) which owns and operates Grace Lutheran School. As such, a special voter's meeting of our congregation was held on July 19th to decide on our congregation's financial support for the "GTIG" upgrading & renovation project at the school. This project will add air conditioning and code-compliant ventilation to classrooms, as well as replace their old and leaky windows. Also, it would convert to either natural gas or geo-thermal for increased energy efficiency. It would also add new ceilings and LED lighting, as well as make modern classroom improvements, add one restroom, and replace the north and south entrance doors.

Each of the congregations making up the RRLSA have been asked for a suggested pledge based on their membership size. St. Andrew's suggested pledge goal is \$131,000. A special Voter's Meeting was held on July 19th to consider this request. The decision made was that we would be able to provide at least \$5,500 toward the project for 2023, and that "commitments for 2024 and beyond would be year-by-year based on the Church's yearend financial position". Furthermore, it was decided that the St. Andrew congregational budget itself will not incur any new debt for this project so long as our congregation has existing long-term debt or another capital campaign in process, which we do with our remaining Mortgage loan and our new Roof Repair loan.

Therefore, rather than placing the "GTIG" project pledge in our budget, individual members of St. Andrew who are so inclined to support the project are invited and encouraged to pledge DIRECTLY* to Grace Lutheran School. To help move this project forward, an anonymous member of St. Andrew has offered a matching challenge pledge of up to \$50,000 toward the \$131,000 goal. Those wishing to support the GTIG project by responding to this challenge pledge are asked to make their pledge, hopefully over-and-above their regular giving, to St. Andrew. Please mention that you are a member of St. Andrew Lutheran Church as a way of showing our congregation's support for our school.

The hope of the "GTIG" project committee is to have the construction done during the summer of 2024 and before school starts up. This means that construction bids and equipment orders need to be made as soon as possible. As of August 16, \$759,000 of \$1.25 million is committed to Growing Together in Grace. Construction ordering will begin when the campaign reaches \$833,000.

Check out the GTIG campaign page at www.gracelutheranschoolfargo.com/growing-together-in-grace, which includes photos and information and a link to our Vanco account to set up a one-time or recurring payment toward the campaign. Or feel free to contact any of the following St. Andrew members who serve on the "GTIG" committee: Art Weidner, Ken Koehler, or Grace Lutheran School Principal, Susan Jahnke, or you may contact the school directly at 701-232-7747 and ask to speak to Amy Hirsch. THANK YOU!

*NOTE: Checks for this project are to be made to "PACE" (Partners Advancing Christian Education) and noted: "For GROWING TOGETHER IN GRACE project", as PACE is the financial arm of our school and the RRLSA handling the pledges and money gifts for this project.

MONEY COUNTERS NEEDED

Several of our long-serving volunteer money counters have retired and we have some spots to fill. These behind-the-scenes positions are vital to the church and do not require a huge time commitment. The money counters will always work in teams of two. It's a once-a-month commitment and the counting can normally be completed within 1-1.5 hours. The money counters need to be discreet, dependable, careful and detail oriented. We will train you! Please consider whether you could serve St. Andrew in this capacity. Contact the Finance Team (Connie Klug/Celeste Moltzan) or Mary in office if you would like more details! **THANK YOU!**

WE NEED YOU!!!

We would love to have more friendly faces serving as ushers and greeters for our worship services. There are several tasks, none of them difficult, but all very important. You can even designate early or late service and sign up for the date of your choosing. If you are interested, please talk with Mary in the office! Keep in mind you can serve in more than one area if you wish!

"IN THE BLACK" ALL SUMMER MONTHS!

- We need monthly average income of \$32,808 to meet our budget goal and cover normal operating expenses like payroll, utilities, missions, maintenance, etc. In August, we were \$2,832 short.
- We continue to be careful with our expenses and generated a small \$837 gain to the General Fund. This is especially positive as we were able to go thru all summer months without going in the negative. We can't recall the last time that has happened!
- The General Fund has almost \$43K of "in the black" earnings. This includes \$5,950 of insurance proceeds that will be applied to the new roof loan. So our actual in the black earnings is about \$37K.
- Special thanks to a large Mortgage Fund donation received which almost covered a full monthly payment!

And now, at the end of September 2023, **with great thankfulness to our members, and with thanks and praises to God, we are announcing that both of these loans have been paid off!**

To help mark this milestone for our congregation, we will be holding a special catered meal, desserts, s'mores and a program immediately following the late worship service on Sunday, Oct 15th. The program will include a "burning of the mortgage loan papers" along with a short presentation.
