

## Mid-Week Stewardship Thought

### God Has Made Us His Stewards

As God's stewards, our first assignment was given to us in Genesis 1:28: *"God blessed them and said to them, 'Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish of the sea and the birds of the air and over every living creature that moves on the ground.' "* God delegated us as His representatives to rule the

Earth in His place. We have been given dominion over God's creation. Because God has retained His ownership of all things, we are merely stewards who are responsible and accountable to God.

**Prayer:** Lord, thank You for the awesome and challenging privilege You have given me to be a steward of Your creation. To think that the God of creation is giving me this opportunity is very humbling and exciting! Grant me faith to honor you in all I do. In Christ's name I pray. Amen.

**Blessings on your stewardship journey!**

God's Creation
