

Mid-Week Stewardship Thought

How Is your Attitude?

Many things in life we can't control. For the most part, we can control our attitudes. As Christians, we should be living with attitudes of gratitude, because we know that our lives and blessings are all gifts from God. Rev Chuck Swindoll shares the following regarding our attitudes:

"The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a company, a church, a home. The remarkable thing is we have a choice every day. We cannot change our past...we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10 percent what happens to me and 90 percent how I react to it. And so it is with you...we are in charge of our attitudes."

Prayer: Lord, grant me an attitude of gratitude for Who You are and what You do. Amen.

Blessings on your stewardship journey!
