

Let Me Learn of Jesus

AGPS 156

- 1 Let me learn of Jesus; He is kind to me;
Once He died to save me, Nailed upon the tree.
- 2 When I go to Jesus, He will hear me pray,
Make me pure and holy, Take my sins away.
- 3 Let me think of Jesus; He is full of love,
Looking down upon me From His throne above.
- 4 Oh, how good is Jesus! May He hold my hand
And at last receive me To a better land.

Jesus Loves Me *(Senior Version for Grandparents Day)*

- 1 Jesus loves me, this I know, Though my hair is white as snow.
Though my sight is growing dim, Still He bids me trust in Him.

*Refrain: Yes, Jesus loves me. Yes, Jesus loves me.
Yes, Jesus loves me. The Bible tells me so.*

- 2 Though my steps are oh, so slow, With my hand in His I'll go.
On through life, let come what may, He'll be there to lead the way.
Refrain
- 3 Though I am no longer young, I have much which He's begun.
Let me serve Christ with a smile, Go with others the extra mile.
Refrain
- 4 When the nights are dark and long, In my heart He puts a song.
Telling me in words so clear, "Have no fear, for I am near."
Refrain
- 5 When my work on earth is done, And life's victories have been won.
He will take me home above, Then I'll understand His love.
Refrain
- 6 I love Jesus, does He know? Have I ever told Him so?
Jesus loves to hear me say, That I love Him every day. *Refrain*

Lord's Prayer

C Our Father, who art in heaven ...

P Father, we'd like your undivided attention. There are some matters we must discuss with you today.

C Hallowed be thy name ...

P It's like this. Your name is mud in some circles. People laugh when your name is mentioned. For some your name is nothing but a cuss word. Restore some honor to your name, Lord, and help us to do the same.

C Thy Kingdom come ...

P We have some real difficulties, Lord. It's so hard to see your hand at work in the world around us. There are many wars and evils at large, we want you to take over right now and to straighten out the mess on earth. And use us to do it.

C Thy will be done on earth as it is in heaven ...

P We'd like to point out, Father, that no one seems to know the plans of heaven and very few seem to care. Anyway, your sons are very confused about what your will is supposed to be on earth. What kind of change in politics and people will make this world free and good? Teach us your plan, put it into operation and speed up your timetable.

C Give us this day our daily bread ...

P Daily bread is one of our foremost needs. Millions upon millions are starving. The world's population is exploding. How can we use our resources to develop each man's pride in his own work as we tackle this task, give us some of the rich bread from that banquet table prepared for men at the end of this age, we need it now.

C Forgive us our trespasses as we forgive those who trespass against us ..

P We are rather sensitive about this, Father, we are talking about a chain reaction of forgiving. That's not easy. We are proud. And we find it rough trying to forgive some people. Sometimes we feel guilty or miserable despite your love and acceptance. Open our hearts to your love, and give us the power to love others now as we will in that new age.

C Lead us not into temptation, but deliver us from evil ...

P Father, don't let us have to face the ultimate test of obedience. Christ did that for us. Father, don't let us have to face the full force of evil. Christ did that for us. Father, don't let us have to face death without you beside us. Christ did that for us.

C For thine is the kingdom and the power and the glory forever and ever. Amen.

P You are God after all. You have the power. You have the plan. You have the honor. Take over now and rule forever. And give us the joy of seeing it happen. Amen.
