

Mid-Week Stewardship Thought

Don't Waste Time

Time is so precious, yet nothing is as greatly wasted. Time is neutral until we make it a friend or an enemy. All of us have our own ways of wasting time. At the top of the list could be watching too much television, telephone abuse, playing computer games to excess, or shopping as an escape. In the process of wasting time, we are wasting talents, lives, and opportunities to serve our Lord. When we are careful with time, we will properly use our small-time fragments. If we add up the spare moments in each day, we may have more time for worthwhile endeavors. To take care of the days, weeks, and months, we need to take care of the minutes. Minutes may be short, but they can add up to a significant amount of time.

Prayer: Dear Lord, I come to You as a humble grateful servant who gives You praise and thanks for all of Your blessings especially for the blessings that we all receive through Your Son Who suffered and died for us so that we can live as forgiven and redeemed people who will spend eternity with You. Help me to live a life that gives You honor and praise. Grant me the wisdom to use the time that You have given me wisely. In Christ's name I pray. Amen.

Blessings on your stewardship journey!
