

Mid-Week Stewardship Thought

God's Stewards

God created the world and all its inhabitants. In the beginning, God made us in His likeness and gave us the task of being stewards over the earth. Genesis 1:26 reads, *"Then God said, 'Let us make man in Our image, after Our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth.' "*

This directive from God makes us all stewards, caretakers, of His property. God has given us the responsibility of caring for the land, air, forests, mineral resources, etc. In addition to the physical things of the earth, we are to be faithful stewards of our bodies, time, money, and talents because they all belong to God. God wants us to be prudent and responsible in the ways we use His gifts to us and to use them in ways that bring Him glory.

Prayer: Heavenly Father, I thank You for the majesty of Your creation. Help me to be a faithful steward of what You created. Grant me faith to do Your will. Amen.

Blessings on your stewardship journey!
