

"TO SEE JESUS AND CAUSE HIM TO BE SEEN"

Dear Friends in Christ,

From the Board of Stewardship: A financial Update

Of importance with this end of February report, is that our regular contributions are \$21,161.17 *less than budgeted, nearly 10%*. This is \$2645.15 per month (8) *below* our budgeted needs.

This deficit in contributions continues the trend of our first quarter, where we reported contributions down by 7%.

We ask your prayerful consideration of our church finances, as well as your continued support.

We are pleased to report that during this same time period, our expenses have been *less* than anticipated, by \$17,770.01. This is obviously good news in light of our contributions. None the less we are but 8 months through our fiscal year. We will continue to monitor our church budget and report to you.
