

CURRICULUM

Academics

Curriculum is the total of all courses, activities, programs, and experiences offered to the students in cooperation between home and school. The curriculum of the school has been developed to provide a well-rounded education.

The areas of learning are:

Religion	Worship, daily devotions, Bible study, memory work, doctrine, and Christian life and service.
Mathematics	Use of numbers, arithmetic, algebraic & geometric concepts, and other modern approaches to mathematics.
Language Arts	Reading, phonics, grammar, spelling, literature, creative writing, and handwriting.
Science	General science, lab work, health & safety.
Social Studies	Home and community life, geography, history, map skills, civics, and current events.
Music	Fundamentals and appreciation of music, rhythm band, recorder instruction, vocal and instrumental instruction.
Art	Drawing, painting, crafts, applied arts, printing techniques, 3-D projects, etc. and exposure to master artists.
Physical Education	Personal physical fitness and conditioning, group games, and recreation. All students are expected to participate in all P.E. activities unless a statement is presented from a physician excusing the student from participating. All students are required to wear tennis shoes during P.E. periods. These shoes may be worn to school. Students will use only the athletic equipment provided by the school. Athletic equipment should not be brought from home unless requested by the teacher.
Computer	An online curriculum is used to teach computer skills.
