**The Dementia Care Specialist (DCS) with the Aging and Disability Resource Center of the Lakeshore will be offering an educational series on the topic of Dementia.** Dementia is currently the sixth leading cause of death in the United States, with Alzheimer's being the most common cause of dementia among older adults. This disease is often difficult to understand and is a sensitive topic to discuss. Caregivers of people with dementia may not always know there are resources available to help them navigate this tough disease. This series sheds light on resources available to those caring for loved ones of dementia. The first part of the series, Dementia 101, is offered virtually on March 18th from 1-2pm and features information on the basics of Dementia. We will discuss the differences between what is considered "normal aging cognitive decline" and more medically serious diseases that cause Dementia. We will also explain why we use the terms "Dementia" and "Alzheimer's" interchangeably. The second part of the series, Dementia 201, will be offered virtually on April 6th from 1- 2pm. This educational program will be more intermediate in content. Our DCS will explain the behavioral symptoms of Dementia, as well as provide some ways caregivers can positively intervene as they care for their loved ones. We will also discuss the physiological changes in the brain and what progression with the disease might look like. This virtual series is free and we encourage you to call the ADRC of the Lakeshore at 1- 877-416-7083 for more information and to register.

**Harvest Event:** After much thought and prayerful consideration, it has been decided to end the Annual Harvest Event. With the 2020 event not taking place, event coordinators feel it is a good time to let this event end. It served its original purpose, to help pay off the Church's mortgage, as well as benefit community organizations, and purchase extra items for the Church. If anyone wishes to continue the event, Larry & Deb Heling and Norene Giese would be happy to explain what they did over the past years, turn over past year's records to them, and new event coordinators would be free to explore whatever new ideas they may wish to try.

*"We wish to thank everyone for their support over the past year's events and wish God's blessings to anyone that may decide to pursue future plans".  
Sincerely, Deb and Larry Heling*
