You are also invited to stand/walk and peacefully pray during a 40-day round the clock vigil in the public right-of-way outside Planned Parenthood at 2605 S. Oneida Street in Ashwaubenon, and also to help spread the word about this important community outreach. If you'd like more information – and especially if you'd like to volunteer to walk for Life, please contact Nola Duescher 845-2196 or Dianne Zeitler 845-2840. Lake Shore Lutherans for Life has committed to walking on March 22nd / 12-1 pm, if you would like to join us or review other available time slots please contact Nola or Dianne. Please keep all of the 40 Days for Life volunteers in your daily prayers.
The Dementia Care Specialist (DCS) with the Aging and Disability Resource Center of the Lakeshore will be offering an educational series on the topic of Dementia. Dementia is currently the sixth leading cause of death in the United States, with Alzheimer's being the most common cause of dementia among older adults. This disease is often difficult to understand and is a sensitive topic to discuss. Caregivers of people with dementia may not always know there are resources available to help them navigate this tough disease. This series sheds light on resources available to those caring for loved ones of dementia. The first part of the series, Dementia 101, is offered virtually on March 18th from 1-2pm and features information on the basics of Dementia. We will discuss the differences between what is considered "normal aging cognitive decline" and more medically serious diseases that cause Dementia. We will also explain why we use the terms "Dementia" and "Alzheimer's" interchangeably. The second part of the series, Dementia 201, will be offered virtually on April 6th from 1- 2pm. This educational program will be more intermediate in content. Our DCS will explain the behavioral symptoms of Dementia, as well as provide some ways caregivers can positively intervene as they care for their loved ones. We will also discuss the physiological changes in the brain and what progression with the disease might look like. This virtual series is free and we encourage you to call the ADRC of the Lakeshore at 1- 877-416-7083 for more information and to register.

These booklets are available through Lutheran Hour Ministries “Project Connect” and cover real-life issues written from a Christian perspective.
