## BASED ON THE INSPIRING TRUE STORY THAT STARTED A DYNASTY

**L**ong before Phil Robertson (*Duck Dynasty*) became a reality TV star, he fell in love with Miss Kay and started a family, but his demons threatened to tear their lives apart. Set in the backwoods swamps of 1960s Louisiana, *THE BLIND* shares never-before-revealed moments in Phil's life as he seeks to conquer the shame of his past, ultimately finding redemption in an unlikely place.

"It was important to us that the film be real. The transformation of Phil proves that anyone can change and that there is always hope."

— Willie Robertson, Phil's Son
