

# Christ Our Rock

LUTHERAN HIGH SCHOOL

*Where Faith and Knowledge Grow!*

March 16, 2020

As a family, we share joys and sorrows.

This is an expression used often with the students and staff at Christ Our Rock. We are certainly in a time of sorrows now, as we pray globally for our brothers and sisters in Christ during this difficult time in which one measure asked of us is to limit large gatherings of people.

To this end, we must announce sadly that we will postpone our Sterling Evening event from Saturday night March 28 to **May 2, 2020**.

Our mission statement is to educate and equip today's youth in faith and knowledge while guiding them to become Christian leaders. Often leadership involves altering plans and making sacrifices and making tough decisions, such as this one.

Unfortunately, the Sterling Evening plays an important role in the school's financial operation from April through the end of the school year. The Association Board of Directors has made the appropriate decision to postpone our much anticipated, and needed, event, but our school's financial need for the upcoming weeks may remain unmet.

*Until we can hold the event, will you consider making a donation or making an "early deposit" on your Sterling Evening account? The early deposit option will put a credit on your account that can be used the night of the Sterling Evening. Please put "Sterling Evening Donation" or "Early Auction Deposit" on the note line of your check.*

If a gift in the name of the Sterling Evening is not a possibility at the moment, would you please consider picking a day for your 365 Club donation? If you haven't paid your 365 Club amount or if you haven't joined yet, would you please consider doing so now? Your help will make a significant difference at this critical time.

We look forward to celebrating with you at our 16<sup>th</sup> annual Sterling Evening on the new date of May 2, and we sincerely thank you for your prayers, generosity, and financial support in the interim.

Finally, know that the staff and faculty of CORLHS is praying for our congregations and our students. We ask you to do the same and keep the students, staff, and financial efforts of Christ Our Rock in your prayers.

In His Service,

Don W. Duensing
