Niagara Falls Outreach Ministry is a group of people from different ministries and churches. They bring change to the people of Niagara Falls in areas where there is gun violence. Bringing the message of forgiveness in the cross of Christ and build relationships with the people, praying with them and giving them hope, in the midst of hopeless circumstances. Social workers aid in finding permanent housing for the homeless, physicians, and access to a domestic violence shelter. They are asking for donations of non-perishable food. There is a barrel in the church lobby for donations.
