In honor of the 250th anniversary of the writing of “Amazing Grace,” this worship series for Lent by theologian Michael Hoy ties the words of the beloved song to our lives today as Christ’s disciples. Those in the Bible who experienced the amazing grace of God help us each week to realize that though we once were lost in sin, we now have been found by Jesus, and though we once were blind to God’s mercy, we now can see his love at work in us through our Savior’s death and resurrection.

LIFEMARK movie and discussion

Sundays, February 19 & 26 at 10:15 AM

From actor Kirk Cameron and the Kendrick brothers comes a new inspirational movie called LIFEMARK. The film tells the true story of a young man named David, who was adopted as an infant and later meets his birth parents when he is 18 years old.

The film engages the subject of adoption from the perspectives of the adopted child, the adoptive parents and the biological parents — all of whom are faced with potential challenges and joys through the adoption process.

LIFEMARK is rated PG-13 due to thematic elements but there's nothing graphic or objectionable; it just has heavier themes that may not be suited for a younger audience.

Come and watch part of the movie each week and discuss the major themes depicted.

Led by Bruce Sutherland.
