LUTHERAN CHURCH
"Come and See..."

"Is this it?
Is my life really coming to a close so suddenly?
Suddenly another voice
This one gentle and clear
"When you've finished the task I have given you there
Come on home, you are welcome here"

Ken Hensley, "Suddenly"

I find inspiration in the most unusual places—at times when I least expect it. Sometimes it finds me. I was looking through some classical rock music icons that intrigued me from back in the 70's. Once upon a time, I had an extensive vinyl collection—mainly filled with one hit wonders and other favorites from those years. Somewhere there was a couple of recordings from a group call Uriah Heep. Ken Hensley was once a part of that group—and gave voice to few singles.

When I read his final lyrics he composed just months before he passed—the words struck me like a lead balloon. The words kept circling in my mind—mainly because it also struck my heart and soul at their deepest depth. Finally, I came to the realization that this fits into my thoughts concerning Lent.

Lent is a not so subtle reminder of our mortality—from Ash Wednesday to Good Friday, we are to consider that our days here are numbered. As I consider for myself this destiny—my own end may just be around the corner. We never really know—we know the end is out there—waiting for us. This sense of mortality might be a bit morbid— but during Lent, it is totally appropriate. We remember that we are dust—and to dust we shall return.

But even during Lent, we live as Easter people. We should never forget what lies on the other side of the cross. On the other side, God gives the ultimate answer—and that is life. But this is God's gift—and not our accomplishment. We live as frail people—as Paul writes in 2 Corinthians 4: "But we have this treasure in clay jars, so that it may be made clear that this extraordinary power belongs to God and does not come from us."

Let this Lent be one of contemplation—through prayer, through music, through Scripture—may we look in our personal mirrors to see ourselves as we truly are. And to give thanks to God who gives us the victory through our Lord Jesus Christ. Amen.

Peace,

Pastor Mike

ADOPT A DAY

How would you like to consider adopting a day(s) and paying for St. John's church utilities for that day(s)? This would be above your regular church giving and would be a huge financial plus for St. John's. You choose the day(s). Why not consider adopting a day for your birthday or that of a family member, or an anniversary of your baptism, wedding or all of them and more? ***If you would like to adopt a day, just write your information on a piece of paper and enclose it with your payment of \$45 per day.***

***Feb. 16 - from Rich & Deb Preston in honor of Harper Preston's birthday

President's Message

Most of us are anxiously waiting for spring to get here. Mother nature has a way to play with us as we have had days that have been nice and warm and then the next day, we might have a good amount of snow to remind us that it is still winter.

As I go through the Lenten season and think of the life of Jesus, and how thankful I am for his teachings and his sacrifice to free all from our sins. It is a wonderful time to think of what we can do to emulate the life that Jesus lived.

Serving other people is one way to serve. That may be through helping with the food pantry each month, teaching Sunday School, counting the weekly offerings, giving blood or any of the other ways we can live a life that is rewarding.

As your president, I have had the extreme honor to work with a church council and a remodeling committee that has been supportive of a vision to improve our ability to serve others by upgrading our facility. As a congregation, you have given your support by the vote at our annual meeting. I thank each one of you for the support you have given to the council and committee.

The decision has been made to move forward and as I type this; the contractors have begun the process of demolition and will be rebuilding soon. **(It will take longer than 3 days!)** As we move forward, we will need your support financially in hopes of being able to pay for this project as we go and not having to go into debt to pay for this project. The Spirit of the Lord is at work with us as we move forward with the project.

I would encourage you to consider how you could help with the funding of this project and prayerfully consider what you can give. You will be receiving more information on how to give to this project or pledge a certain amount over time from the Stewardship Committee. If you are so inclined to donate at this time, you can write a check to the church and put in the memo line, "remodeling project".

Thank you again for allowing me to serve as your President and look forward to the future of St. John's. God Bless you all.

WELCOME TO YOUR CHURCH COUNCIL 2023

Featuring | Michele Von Handorf | Vice - President

I grew up around...

the Edgewood area on a farm with an older brother. I attended the Ed-Co School for all grades. My family drove to Littleport on Sundays to worship at Hope Lutheran. I was baptized, confirmed and married there. I witnessed my parents actively living out their faith in our church.

My most meaningful accomplishment in high school...

was building so many wonderful relationships during those years. Two of my best friends still remain so to this day. I learned to cultivate relationships through playing sports, participating in 4H, being on student council all four years, and serving as Student Body President Junior and Senior year. My husband Steve and I went through school together.

After college I...

graduated from UNI with a degree in Communications. Steve and I were married and moved to the Quad Cities. My first real job was as manager of a department store. As a buyer for Von Maur, I had opportunities to travel to NYC and Las Vegas. When we thought about having a family I wanted to move back to Clayton County. We both loved the area and the Mississippi River. Steve secured a job in Dyersville and I as Guttenberg's Economic Development Director. At GMH I was working in the new HR position when my first child, Hannah, was born. As our family expanded with Abby and Josef I made the pivotal decision as a mom to stay home.

When I returned to the work force my youngest, Josef, was in kindergarten. I began subbing as a teacher associate at the school. Soon that turned into full time and eventually I moved into the Clayton Ridge Middle School as secretary. More recently I have served as the elementary secretary and will be retiring at the end of this school year. I plan to enjoy family time with Steve, my mother, and our children, Hannah and Jake and grandchild, Emma and Abby engaged to Jordan. Josef is currently deployed in the Marine Corp.

One of the biggest life lessons I learned from...

my parents was a sense of duty as Americans and Christians to serve others where and when we can. While balancing farm life my parents found time to serve on various community and church boards. I grew up thinking this was normal to serve others because they made it look so easy. This meant I was active in Luther League, taught Sunday School, and went to Ladies Aid meetings with my mom.

To me, grace means...

giving back to your community, to church, especially my family home church, St. John's Lutheran. Also, remembering to not take yourself too seriously. Realizing everyone, now and then, needs help.

I'm a Lutheran because...

I was baptized, raised, and confirmed in the Lutheran faith. Steve and I were married in Hope Lutheran and raised our children in the Lutheran faith. I am a member of St. John's and gratefully serve as Vice President of the council.

OUTREACH COMMITTEE

This morning on a walk it was a little gray (ok a lot gray). Many eagles were riding the chunks of ice floating down the river doing a little fish catching along the way. This afternoon the skies were blue with white clouds floating by, most of the ice had moved further south on the river and birds were flying over the water in search of something to eat. Transformation before our eyes happens all the time-it tugs at our heart strings and then we move on with our day. It's so easy to see these transformations in nature with the seasons playing a big part in our state of Iowa, particularly in a community as beautiful as Guttenberg.

In my reading today in John-Jesus is trying to explain that He will be leaving them, telling them about the Holy Spirit and giving them instruction. It gave me a lot to ponder as the river transformed throughout the day. I don't think it's a coincidence Lent begins this week with Ash Wednesday.

John 16:23b-24 (MSG translation):

This is what I want you to do: Ask the Father for whatever is in keeping with the things I revealed to you. Ask in my name, according to my will, and he'll most certainly give it to you. Your joy will be a river overflowing its banks!

He calls each of us to reach out. It may be a smile, a hug, a can of fruit, reading a book to a friend or stranger, praying when it comes to mind and you are unsure of what you are praying for, signing up for a missions trip, inviting another on your mission trip (possibly a young person), sharing your faith in a personal way, supplying a bandaid when needed. It is not rocket science-we do these things everyday. BUT if you feel the sense that someone else can take care of it and it is easier for them-stop and ask yourself-why can't I help. There can be legitimate reasons but when the answer comes back to you-You Can Do It! Do IT! A transformed heart is very clear to see. Many who go on missions trips go with the expectation they will be doing something to assist and ease the pain of others Only to come back with stories of how much the people they were helping assisted them in transforming their hearts. We need each other and God NEVER wastes His gifts and resources. When God reveals truth we are awed by the mystery and it is reflected by joy, peace, love,

I have been following the Asbury College Revival stories-it just took a couple of students who listened to their hearts to continue singing after chapel for the revival to begin. Prayers for this revival have been lifted up since the 1970's. I challenge each of us to pray for our whole community in Guttenberg that hearts and desires will be transformed. As Jesus tells us in John and many are experiencing the Spirit flowing at Asbury College-"Your joy will be a river overflowing its banks!" We sense His Presence many times and what a joy to respond to it!

The Lenten Offerings for 2023 will be designated for earthquake relief in Turkey and Syria. Again we make quilts ahead of disasters so they are ready for distribution when needed. Thanks Carol Tompkins and team for all your service in this arena! Prayers are needed for all in these areas and for the volunteers with boots on the ground.

Stretch out your hand-someone needs it today!

LITERACY WEEK

March is National Professional Social Work Month

March is National Professional Social Work Month! Take time this month to recognize social workers in your life and thank them for all they do. At Lutheran Services in Iowa, we want to give thanks to all our social workers who do such important work every single day. Without you, LSI wouldn't be able to provide the essential services that Iowa families need.

Our social workers provide a variety of services to families in Iowa, such as crisis child care, in-home programs and classes for parents. These services provide families the support and education they need to care for their young children.

For more information, please contact Deb Whitford, LSI's Director of Philanthropy and Church Relations, at Deborah.Whitford@LSIowa.org or 563-676-2065.

Our Mission: Lutheran Services in Iowa responds to the love of Jesus Christ through compassionate service. LSI is an affiliated social ministry partner of the Iowa congregations of the ELCA (Evangelical Lutheran Church in America) and a member of LSA (Lutheran Services in America). We proudly serve people of all ages, abilities, religions, sexes, gender identities, national origins, ethnicities, races, and sexual orientations. Learn more at LSIowa.org and facebook.com/LSI.iowa.

Social Work is Rewarding Work

A child saying "mom" for the first time at 3 years old, a parent getting a job that brings them joy – these are successes that are important to Mallory Berkenpas, Service Coordinator in LSI's Early Childhood department in Sioux City.

Mallory has been an employee of LSI for more than a decade, and has held many different roles in supporting children and families. "My heart lies in working with children and families and prevention work, because I've seen the value in it. I see how important it is. I wish more people knew and understood and valued the work that is done in the early childhood period because it is so crucial," said Mallory.

She expressed that one of the most rewarding parts of her job is being able to see, experience and walk this journey alongside these families, who along the way, make these small or big strides – whatever that means for them.

"Maybe the child says 'mom' for the first time at 3 years old, which is something that has happened in our program. That's a big win for this child that didn't speak from zero to three years old, and did because of the interventions we helped that family find," said Mallory. "All of those successes are so important to me and also my staff – being able to see them grow, build their skill set and feel good about their work."

"Social work can be so hard... so I think being able to see those small and big wins along the way is important," said Mallory.
