Dear Friends in Christ,

Yes I love my music as some of you know so very well. Just the other day Jackson Browne visited my car with "The Pretender":

"I'm going to rent myself a house, In the shade of the freeway
Gonna pack my lunch in the morning, And go to work each day.
And when the evening rolls around, I'll go on home and lay my body down.
And when the morning light comes streaming in
I'll get up and do it again, Amen - Say it again, Amen"

This song brings out so many emotions from sadness to regret - from pondering to hope. The lyrics speak a hymn dedicated to life—to all humanity as it were. For me these words speak the soundtrack to my life—so much better than I can express with my own words.

I have a class reunion coming later this year, on September 30th of course. I do not plan to attend, but I try to keep in touch with many over the years. (I just will not say how many years.) My hometown is not much bigger than Guttenberg. The city of Seymour has about 2500 residents. But our class had about 180 students. Over the years death has touched our class more often than I care to mention, with a profound number of suicides.

Hearing this song by Jackson Browne brings out so many memories of classmates. We graduated with so many hopes. So many dreams. I can dare say that I was one of the few who actually followed my high school plans to fruition.

This month we honor the graduates within our congregation and our community. As they leave, I will have each grad carry a lit candle as they carry their faith as they approach the future. As we shake their hands, may each of us not only congratulate them, but also give them a blessing as they journey forth.

As they leave, I am hoping to have the words to a song from the musical Carousel:

"When you walk through a storm, Hold your head up high
And don't be afraid of the dark.
At the end of the storm, Is a golden sky
And the sweet silver song of a lark.
Walk on through the wind, Walk on through the rain,
Tho' your dreams be tossed and blown.
Walk on, walk on With hope in your heart
And you'll never walk alone, You'll never walk alone."

In these final words, we have a promise and a hope that we hear over and again from our God--- You never walk alone. A message not only for our grads—but for each of us.

Peace,

Pastor Mike

Just an idea: There is a fruit truck that makes a stop in Dubuque. They bring seasonal fruit about four times a year. Their web page states that they would be willing to come to a town if there is enough interest. Their next round would be cherries, etc. followed by peaches. They could set up in our parking lot—and provide for the whole area. Please let me know if this is a "ministry" you would be interested in.... Also, you could share a flat or case with a neighbor...

FROM OUR COUNCIL PRESIDENT

Greetings!

The wonder of God's work is all around us. The flowers and trees are beginning a new cycle of life. The grass is turning green. Our thoughts are also with those communities and families that are dealing with the flooding this spring.

The main purpose of this message is to update you on the capital campaign for the remodeling project. The project is moving along quite nicely, and it is highly likely that the work will be completed by the end of May. Upon completion, the fellowship area will be totally transformed into a much more usable space and with many upgrades to the storage areas, heating, cooling, and electrical systems.

At our annual meeting in January, the membership approved the remodeling project with an estimated budget of \$305,000. The church council had committed \$100,000 of church funds for the project. This meant that the church began a capital campaign to raise the difference of \$205,000. As of April 23rd, we have received approximately \$125,000 in pledges. The total amount of cash received to date is about \$79,000. The amount of pledges and cash received for this project has been outstanding. However, we need another \$80,00 in pledges and/or cash, so that we do not have to borrow money.

Many thanks to those who have pledged and given cash to this endeavor, and I pray that we will be successful in raising the additional funds. What we are doing now will have an enormous impact for many years to come. St. John's has been and will continue to be a major foundation of the faith community of Guttenberg and Clayton County.

I am truly thankful for all of you and am very honored to be your president. Our council members are truly God's servants. Some say that it takes a village to raise a child. As a child of God, forever, I am proud to be a part of this village we call St. John's.

God Bless you all.

Brian Rodenberg
Council President

WELCOME TO YOUR CHURCH COUNCIL 2023

Featuring | Deb Preston | Council Secretary

I grew up around...

and was raised in Guttenberg on our family farm near Garber, Iowa. My grandparents, aunts, uncles, and cousins all lived within a five mile radius. I was so fortunate to grow up with extended family nearby. Many times I would saddle up my horse to ride over to visit my grandparent's house or meet halfway to spend time with my cousins. On our farm my chores included taking care of the calves, getting the hay down, and cleaning out the stalls. At seventeen, I began my first job working as a waitress at Doug's Steak House.

My most meaningful accomplishment in high school...

was being able to be involved in many activities. Even though we farmed, my parents encouraged us to participate in things. I was very passionate about sports, especially basketball. I still believe youth who share experiences in extracurricular activities or are highly involved in their school are better able to handle obstacles and become well-rounded students. This is what inspires me today and one of the reasons I said, "Yes," to being a St. John's Lutheran Church council member and a player in the bell choir.

After high school, I...

attended the Finley Hospital School of Nursing in Dubuque. In 1986, I graduated with a nursing degree and became a Registered Nurse.

Following college graduation, I accepted a job at the Guttenberg Municipal Hospital. By working in a small hospital, I had advantages to explore work in all departments. During this time, I met and married Rich Preston and we raised three amazing sons, Matthew, Cody, and Dylan. We have two incredible daughter-in-laws, Shelby married to Matthew and Hannah to Dylan. The light of my life is spending time with my three beautiful grandchildren, Ellie, Harper and Barrett. I am grateful that Matthew and Cody carry on the farming

tradition, both working on the original family farm. Dylan and his family work and live in Ankeny, Iowa.

One of the biggest life lessons I learned from...

having multiple experiences at the Guttenberg Municipal Hospital. This allowed me to find my passion as a nurse. I absolutely loved the Obstetrics (OB) and Surgery departments. For the last fifteen years I have been the Surgical Service Manager at our Guttenberg Municipal Hospital. As I continue to work beside all the staff at GMH I feel so fortunate. Together we faced several challenges in the medical work place these last few years and are stronger.

My parents also contributed to my life lessons but my patients did too. Treating others as you would treat your own family has been my rule as a nurse. Remembering not to judge has served me well, you never know what a person is experiencing in their life.

To me, grace means...

being empathetic to people. I have been with new parents as their baby takes their first breath; but I have also held the hand of a family member as someone they love takes their last breath. Often I have had to do this all within the same day. During those times I have asked the Lord to grant me the grace and strength to empathize with people through all phases of life.

I'm a Lutheran because...

my parents and grandparents guided me in the Lutheran faith. They also served as witnesses of faith to my children and now my grandchildren. Growing up I saw my parents and grandparents as examples in how to serve the Lord inside the church and outside in our community. I am so thankful for their strong support and I hope my faith encourages my own children and grandchildren now.

OUTREACH COMMITTEE

The Spirit leads us to rest in the Easter message of compassion, love, and surprising resurrection. There is nothing we need or can do but keep our focus on obedience to God, the love of Jesus, and the leading of the Holy Spirit.

We are all called to reach out from the true gifts God has created and given to each and everyone of us. He nudges us quietly, peacefully, and respectfully in all we do. He has filled our personal Easter baskets to the brim to help each other when we listen and use those gifts.

Jesus told His disciples that He had to leave so another could come. Yes, the Holy Spirit resides in the hearts of all who believe. He readily covers us with His protection and leads us day by day and night by night.

Let Him who knows you so intimately be in your thoughts and actions for whomever and whatever God puts before you. Our unjust earthly home has many trials and tribulations - rest in His Glory as you pray and reach out - His work never goes undone.

Happy Easter!

-Diane Thiese

LSI's Foster Care & Adoption Services work to bring families together and to help them throughout the process of becoming licensed for foster care and approved for adoption. Our Family Centered Services uses a strengths-based approach to keep Iowa families together by equipping parents with skills they need to be successful, independent and healthy.

Staying Connected to your Roots

LSI Foster Care and Adoption is proud to be part of the Native Families for Native Children (NF4NC) project, which is a collaborative effort between the four native tribes of Nebraska, human services agencies and private agency partners in Nebraska and Iowa. As part of the project's efforts, we recruit, train, license and support Native American families in accord with the traditions, needs and resources of their communities.

Rebecca and Kirby expanded their family when they adopted their son in January. The couple had the opportunity to work with the Omaha Tribe and were able to participate in the second Customary Adoption in the State of Iowa.

Through their Customary Adoption, the family completed a culture plan with the tribe and will be able to keep their newly adopted son connected to his cultural roots with the Omaha Tribe. The new family also was able to keep their son connected to his biological siblings, so he can continue to be involved with them.

LSI is proud to help connect families, like Rebecca and Kirby, with the resources they need to continue to grow their families and build the brightest future for Iowa children.
