OFFERING MISSION

The students had so much fun collecting change during our November and December challenge to go to our Hurricane Harvey Mission Relief fund, that we decided to keep the fun going for the remainder of the Sunday School year! We are now trying to fill various containers with our offerings of both coins and paper bills. We started with a pint jar and filled that on day one. Then we moved to a quart jar and filled that too! Next was a two quart jar, filled that. And now we are onto a small fish bowl. The students have a goal to fill a gallon container with offerings by the end of the school year.

AT HOME

I recently read a blog post on the CPH website titled *Keeping Church Reverent*. It is a quick read and is a great reminder to keep church reverent in our lives even as our culture and attitudes shift toward the easy and convenient. While Sunday School should be fun, our behaviors and actions should reflect the respect that should be given while in God's House. Thinking about summer camps? Lutheran Island Camp is a great place and offers a variety of camp options for all ages! Please join us on March 10th in the fellowship hall for a jamboree with Louis from LIC and get registered for camp. You can also check out the many options in the brochure that was sent home in February or pick one up at the church. Or visit the camp online at www.islandcamp.org. Scholarships are available through St. Johns and additional Camperships may be available from Lutheran Island Camp.

Memory Verses

I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me.

Galatians 2:20

Jesus said to Thomas, "Have you believed because you have seen me? Blessed are those who have not seen and yet have believed."

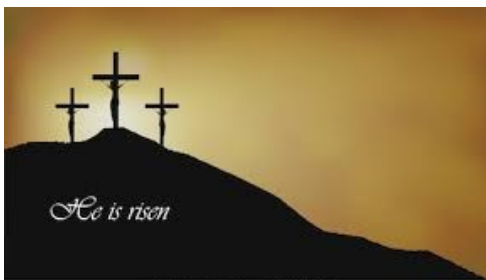

John 20:29
