

Cheeseburger Hotdish

(Shari Sanquist and Vickie Helm served this at Lenten noon meal March 20 – provided by Shari Sanquist)

This makes a large amount!

- 1 – 2 lb. box Velveeta Cheese
- 4-5 cups milk
- 1 stick margarine
- 3 lbs. hamburger
- ½ onion, chopped or 1 T. dried onion
- Salt and pepper to taste
- Ketchup and mustard to taste
- 6-8 large dill pickles, chopped
- Pickle juice or water to thin as needed
- 14-16 cups noodles or macaroni

Melt together the cheese, milk and margarine. Brown hamburger with onion. Stir into sauce. Add pickles, salt, pepper, ketchup and mustard to taste. Thin with pickle juice or water if sauce is too thick for your preference. Add hamburger. Cook noodles/macaroni and toss with sauce.

If you're making this ahead, wait until heating/serving to add sauce as the pasta soaks up sauce if added ahead and it won't be as tasty.
