**SHOO fly!**

Make this candle to keep uninvited insects from your outdoor summer meals.

**What you need:**

- Lime
- 10-20 whole cloves
- Birthday candle
- 4 toothpicks
- Adult help

**What you do:**

1. Have an adult slice the lime in half. Cut off the rounded end of one half so it can stand without rolling.
2. Insert 10 cloves into the cut sides of each half.
3. Stand the bottom half on a plate. Insert the candle in the center.
4. Insert the 4 toothpicks in the cut side of the bottom half. Then place the other half atop the toothpicks.
5. Before dinner, have an adult light the candle that's between the two lime halves. The flame's heat will warm the lime and create a smell that insects don't like.
6. Supervise the flame. Blow it out when it reaches the bottom lime.

## TINY TEAMWORK

The focused teamwork of ants is astounding! How can we learn from them?

Worship: After being gone three Sundays in June, I will be making up for it by preaching three Sundays in a row. Wednesday noon services have been going well with an average attendance of about 16. Thank you to Max Harju for his commitment to facilitating the live stream. This is the third year that he has taken on responsibility for the majority of the Sundays. I will be engaging the congregation in a sermon series for three Sundays in October that will deal with an emphasis on financial stewardship. Teaching: I have been filling in for Sunday morning Bible class as needed. This fall I will be teaching the 8<sup>th</sup> grade confirmation class of 10 students. (Pastor Berg will instruct the 6-8 students in the 7<sup>th</sup> grade class.) I am working my way through "2084" written by John Lennox. He is a trained mathematician, philosopher, and Christian apologist. During VBS I was the leader for the opening and closing along with directing the story telling time. Visits: In June/July I visited nearly all the shut-ins. Nineteen are "classic" shut-ins while about thirty-five others are those that I don't want to neglect or allow to slip through the cracks. Pastor Berg led the first Heritage Living Center service that we will now be a part of on a monthly basis. Other: Two funerals (Tom May and Mary Jo Harsha). Weddings: One in Pine River in August. Outdoor sign: Running on a two-week schedule for Bible verse updating. PR Enterprise: I wrote the devotions for July.

## ABC Preschool News

Ladybugs! Children are naturally curious about those bright red bugs with the deep black spots that catch the eye. They like to find them, chase them, catch them and use magnifying glasses to get a closer look! More than that, ladybugs are heroes to plants and helpful to farmers growing healthy crops because they are a natural way to control pests. Some people believe ladybugs bring good luck.

God's wonderful creation shines through everything both big and small. We see Him everywhere in nature from the giant trees to the tiny ladybugs. God has a purpose for everything and everyone. Just like those tiny ladybugs, young children are a helpful and an amazing part of God's creation. At ABC we will be exploring God's creation as we gather for another year of learning. We can't wait to "spot" them and welcome all the friendly, helpful, curious and energetic ladybugs (children) to school.

For nearly 40 years, ABC Preschool has been planting and spreading seeds of faith, kindness and growth at St. Johns!! The guiding verse we have used all these years is Proverbs 22:6 - "Train up a child in the way that he should go; when he is old he will not depart from it." The children at ABC receive a Christian based education through structured and non structured activities. We point the children to Jesus and continue to teach Christian values in which all children are loved and cared for. The word of God is taught and modeled every day!!

Often times you'll find us in the classrooms. Other times we like to use extra spaces throughout the church for a variety of out-of-the-classroom learning experiences. And we love to take advantage of the wonderful outdoors that allow for nature based learning, from climbing on the play sets to running through the grassy areas as we chase and catch ladybugs!!

As we carry out our work, ABC needs your spiritual and financial support. Please keep the school, staff, families and children in your prayers as we teach and train young learners. There are three main ways you can offer financial support. The "Supply Board," scholarships, and Thrivent Choice Dollars.

The annual school supply board will be up at church with tags that list items that are needed. Back to school supplies are more than crayons and glue. Please carefully read the tag that lists the exact item, amount and size desired. Please don't substitute!! If you cannot find an item, let Kim know. Please return items to church before Sunday, August 17.

Some families need extra support to be able to send their children to ABC. Through scholarships, we can offer that assistance to help cover tuition and transportation costs. A full scholarship is \$450 for the year. Full or partial scholarships are greatly appreciated! If you want to donate for scholarships please note, “ABC scholarship” on your gift. If you want make a donation to help with the general operations of the program, please note “ABC general expenses” on your gift.

If you direct your Thrivent Choice Dollars to ABC Preschool, your dollars go directly to help prepare young children socially, emotionally, spiritually and academically for future schooling. Thrivent donations go toward maintaining and replacing large equipment and learning materials. The replacement of larger items is not usually written into the yearly budget. Your dollars go a long way in helping to keep the preschool up to date and helping to create an excellent learning environment for young children.

We are so grateful for all the support you’ve shown throughout the years. Thank you for your help in making ABC a fun place to learn, explore and grow!

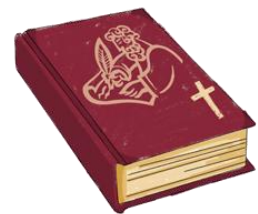

ABC will have an Open House and Registration Day on Wednesday, August 13 from 10:00 a.m.—1:00 p.m. and 5:00 p.m.—7:00 p.m.

We have a few openings at ABC for children ages 3-5. Classes meet two, three, four or five days per week throughout the school year (September through May). Members of St. Johns pay no registration fee. Financial assistance is available. Call the office for more information or check out our website at [abcpreschoolpr.com](http://abcpreschoolpr.com). We also have a Facebook page where you can see learning in action!!
